(57) CLAIM

The ornamental design for the portable refillable lighter with telescoping bellows, as shown and described.

DESCRIPTION

FIG. 1 is and exploded front elevational view of my design, illustrating the telescoping bellows in a fully extended position;
FIG. 2 is an exploded bottom elevational view of my design, illustrating the telescoping bellows in a fully extended position;
FIG. 3 is an exploded top elevational view of my design, illustrating the telescoping bellows in a fully extended position;
FIG. 4 is a top view of my design;
FIG. 5 is a bottom view of my design;
FIG. 6 is a top perspective view of my design, illustrating the telescoping bellows portion in a retracted position; and,
FIG. 7 is a top perspective view of my design, illustrating the telescoping bellows portion in a retracted position.
The broken lines in the drawings depict portions of the portable refillable lighter with telescoping bellows that form no part of the claimed design.
