(57) **CLAIM**
I claim the ornamental design for a shoe, as shown and
described.

DESCRIPTION

FIG. 1 is a front perspective view of a shoe, showing my new
design;
FIG. 2 is a bottom view thereof;
FIG. 3 is a cross-sectional view taken along the line marked
in FIG. 2; and,
FIG. 4 is a rear perspective view thereof.
The dot-dot-dash broken lines immediately adjacent to and
surrounding the shaded areas in FIGS. 1, 2, and 4 define the
peripheral bounds of the claimed design and form no part
thereof. In FIG. 3, the dot-dot-dash broken line defines the
lower periphery of the cross-sectional view and also forms
no part of the claimed design. The broken lines depicting the
remainder of the shoe show features that form no part of the
claimed design.
