(57) **CLAIM**

I claim the ornamental design for a secondary containment structure for vehicles with handles, as shown and described.

See application file for complete search history.

DESCRIPTION

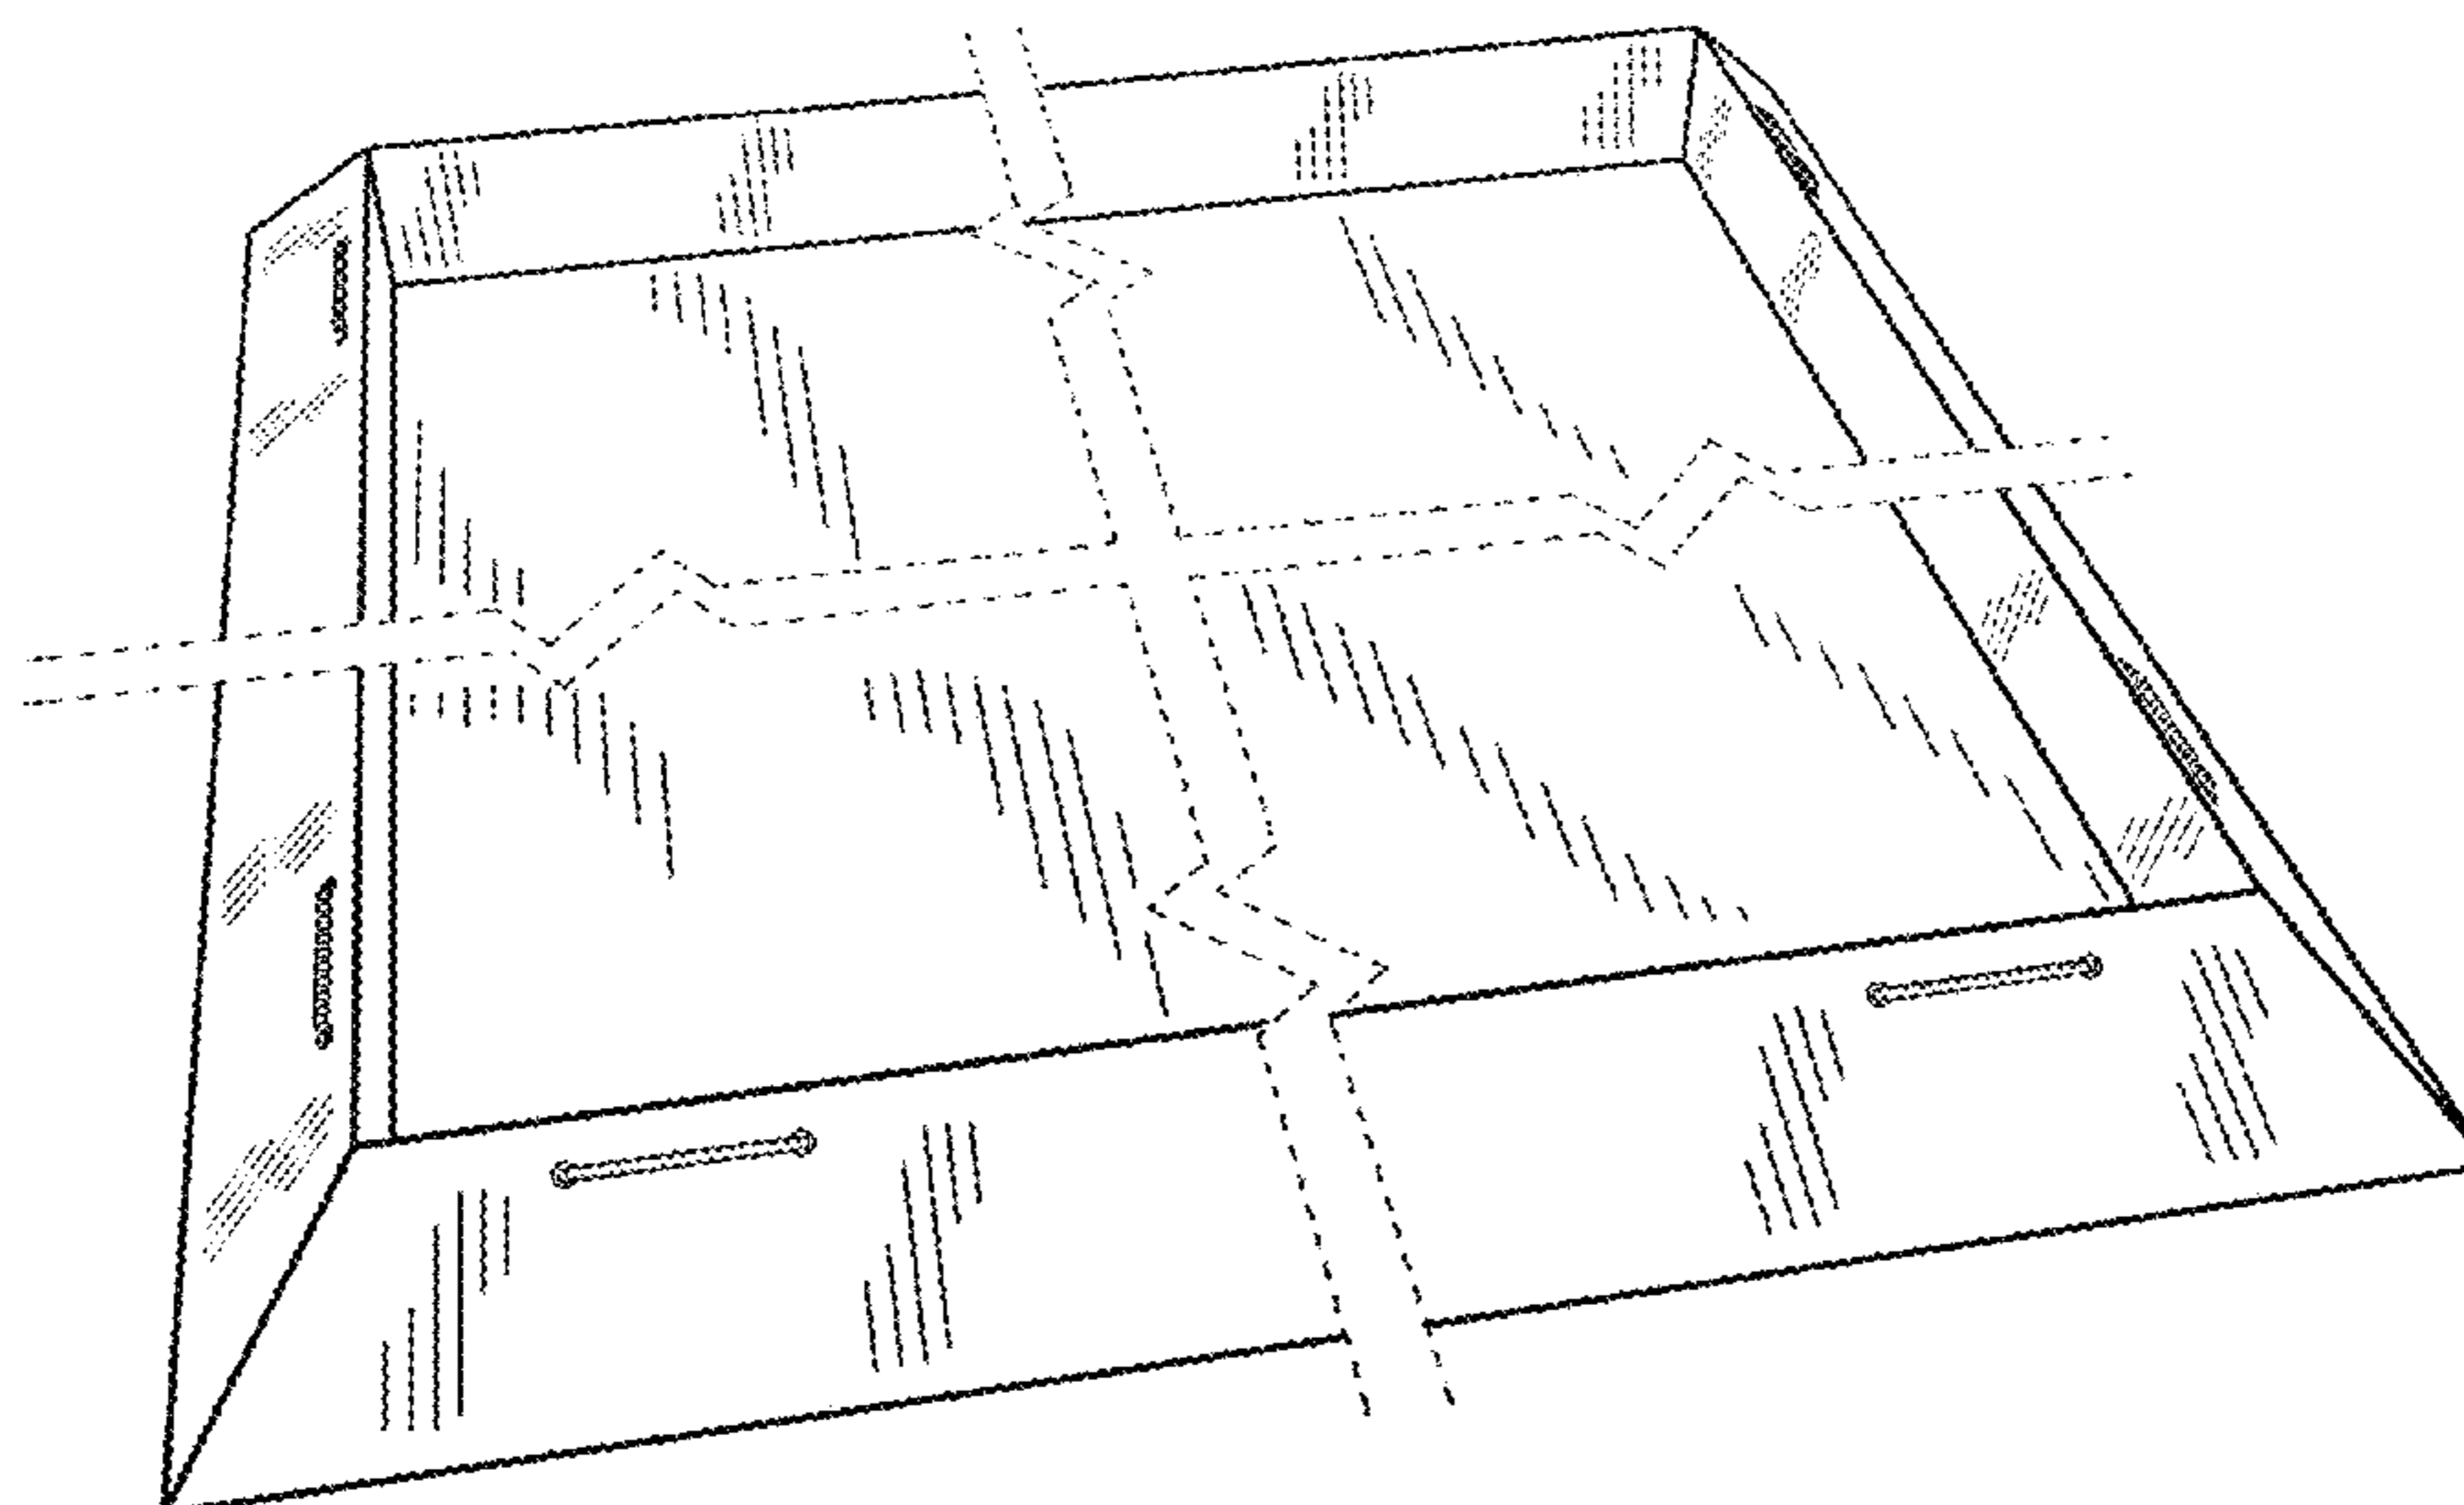

FIG. 1 is a top plan view of the secondary containment structure for vehicles with handles;
FIG. 2 is a bottom plan view thereof;
FIG. 3 is a rear elevation view thereof;
FIG. 4 is a front elevation view thereof;
FIG. 5 is a right side elevation view thereof;
FIG. 6 is a left side elevation view thereof; and,
FIG. 7 is a perspective view thereof.
The secondary containment structure for vehicles with handles is shown with a symbolic break to indicate that the claimed design has no specific length and width. The portion of the article between the break lines forms no part of the claimed design.
