(57) **CLAIM**

We claim the ornamental design for a display screen or portion thereof with a graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a first embodiment of a display screen or portion thereof with a graphical user interface; and, FIG. 2 is a front view of a second embodiment of a display screen or portion thereof with a graphical user interface. The outermost broken lines in the figures show a display screen or portion thereof, and form no part of the claimed design. The diagonal broken lines are shading which form no part of the claimed design.
