(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

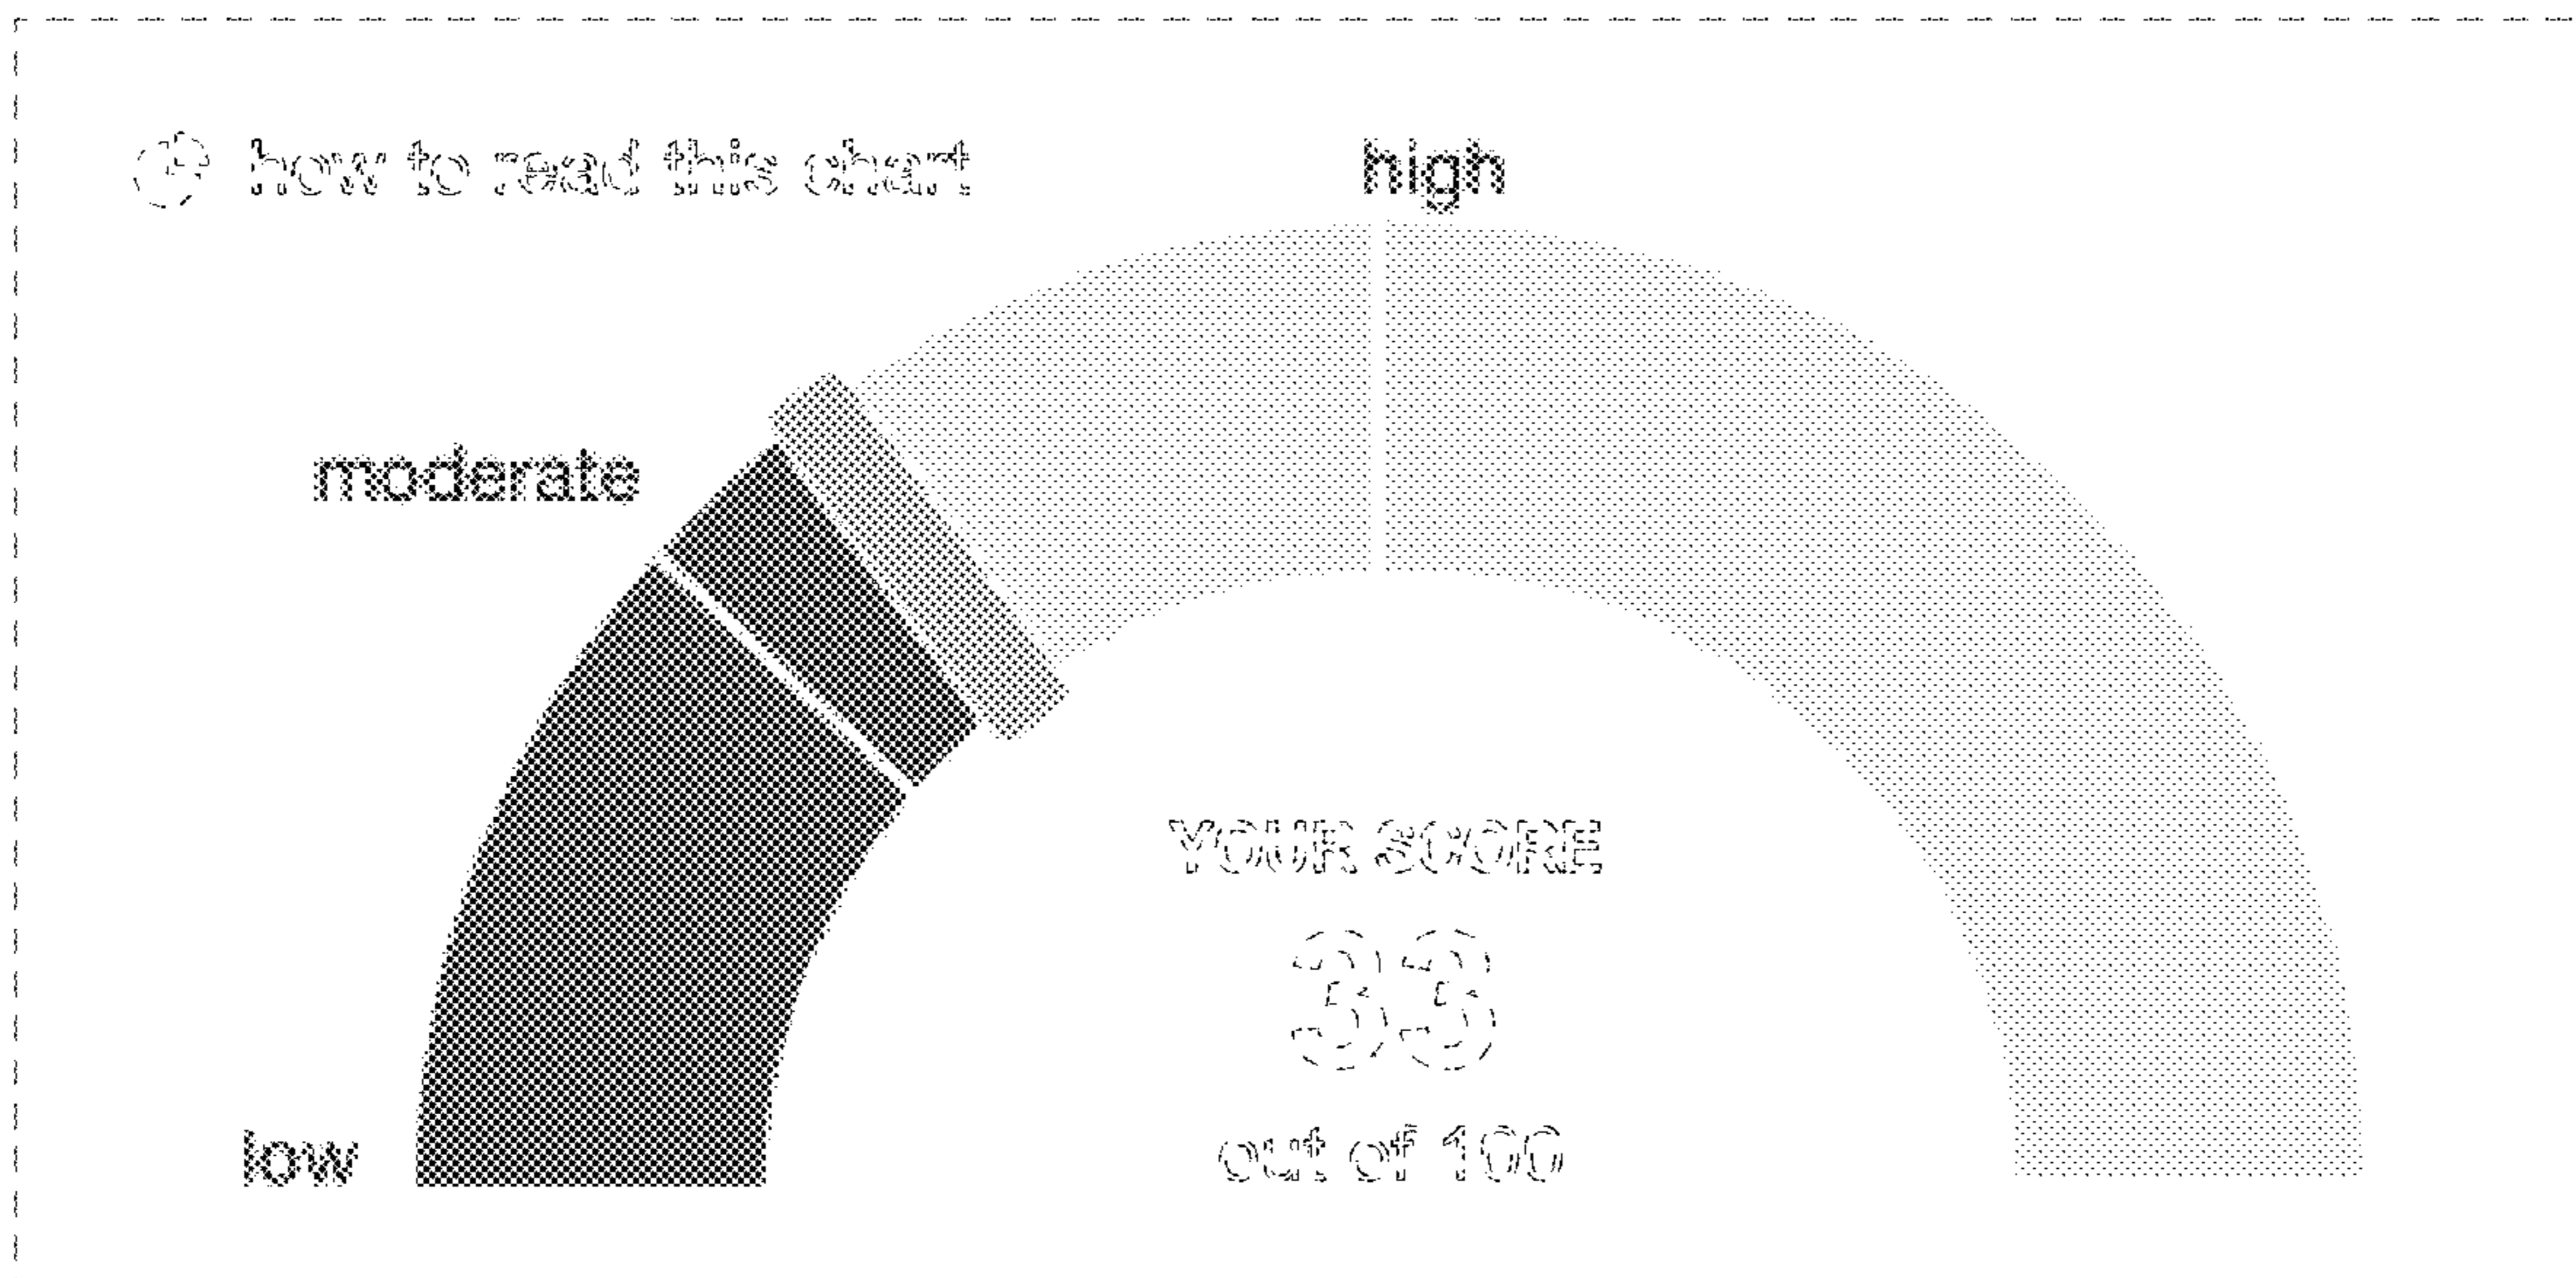

**DESCRIPTION**

The FIGURE is a front view of a display screen or portion thereof with graphical user interface showing the claimed design.

The outermost broken lines in the FIGURE show a display screen or portion thereof, and form no part of the claimed design. The other broken lines in the FIGURE show portions of the graphical user interface that form no part of the claimed design.

The FIGURE is illustrated to show contrasting appearance. Areas of the display screen or portion thereof with graphical user interface that appear in different shades of gray represent areas with contrasting appearances.
