(57) **CLAIM**

I claim the ornamental design for a façade panel, as shown
and described.

DESCRIPTION

FIG. 1 is a front view of a façade panel of the present
invention;

FIG. 2 is a rear view of a façade panel of the present
invention;

FIG. 3 is a right side view of a façade panel of the present
invention;

FIG. 4 is left side view of a façade panel of the present
invention;

FIG. 5 is a top view of a façade panel of the present
invention;

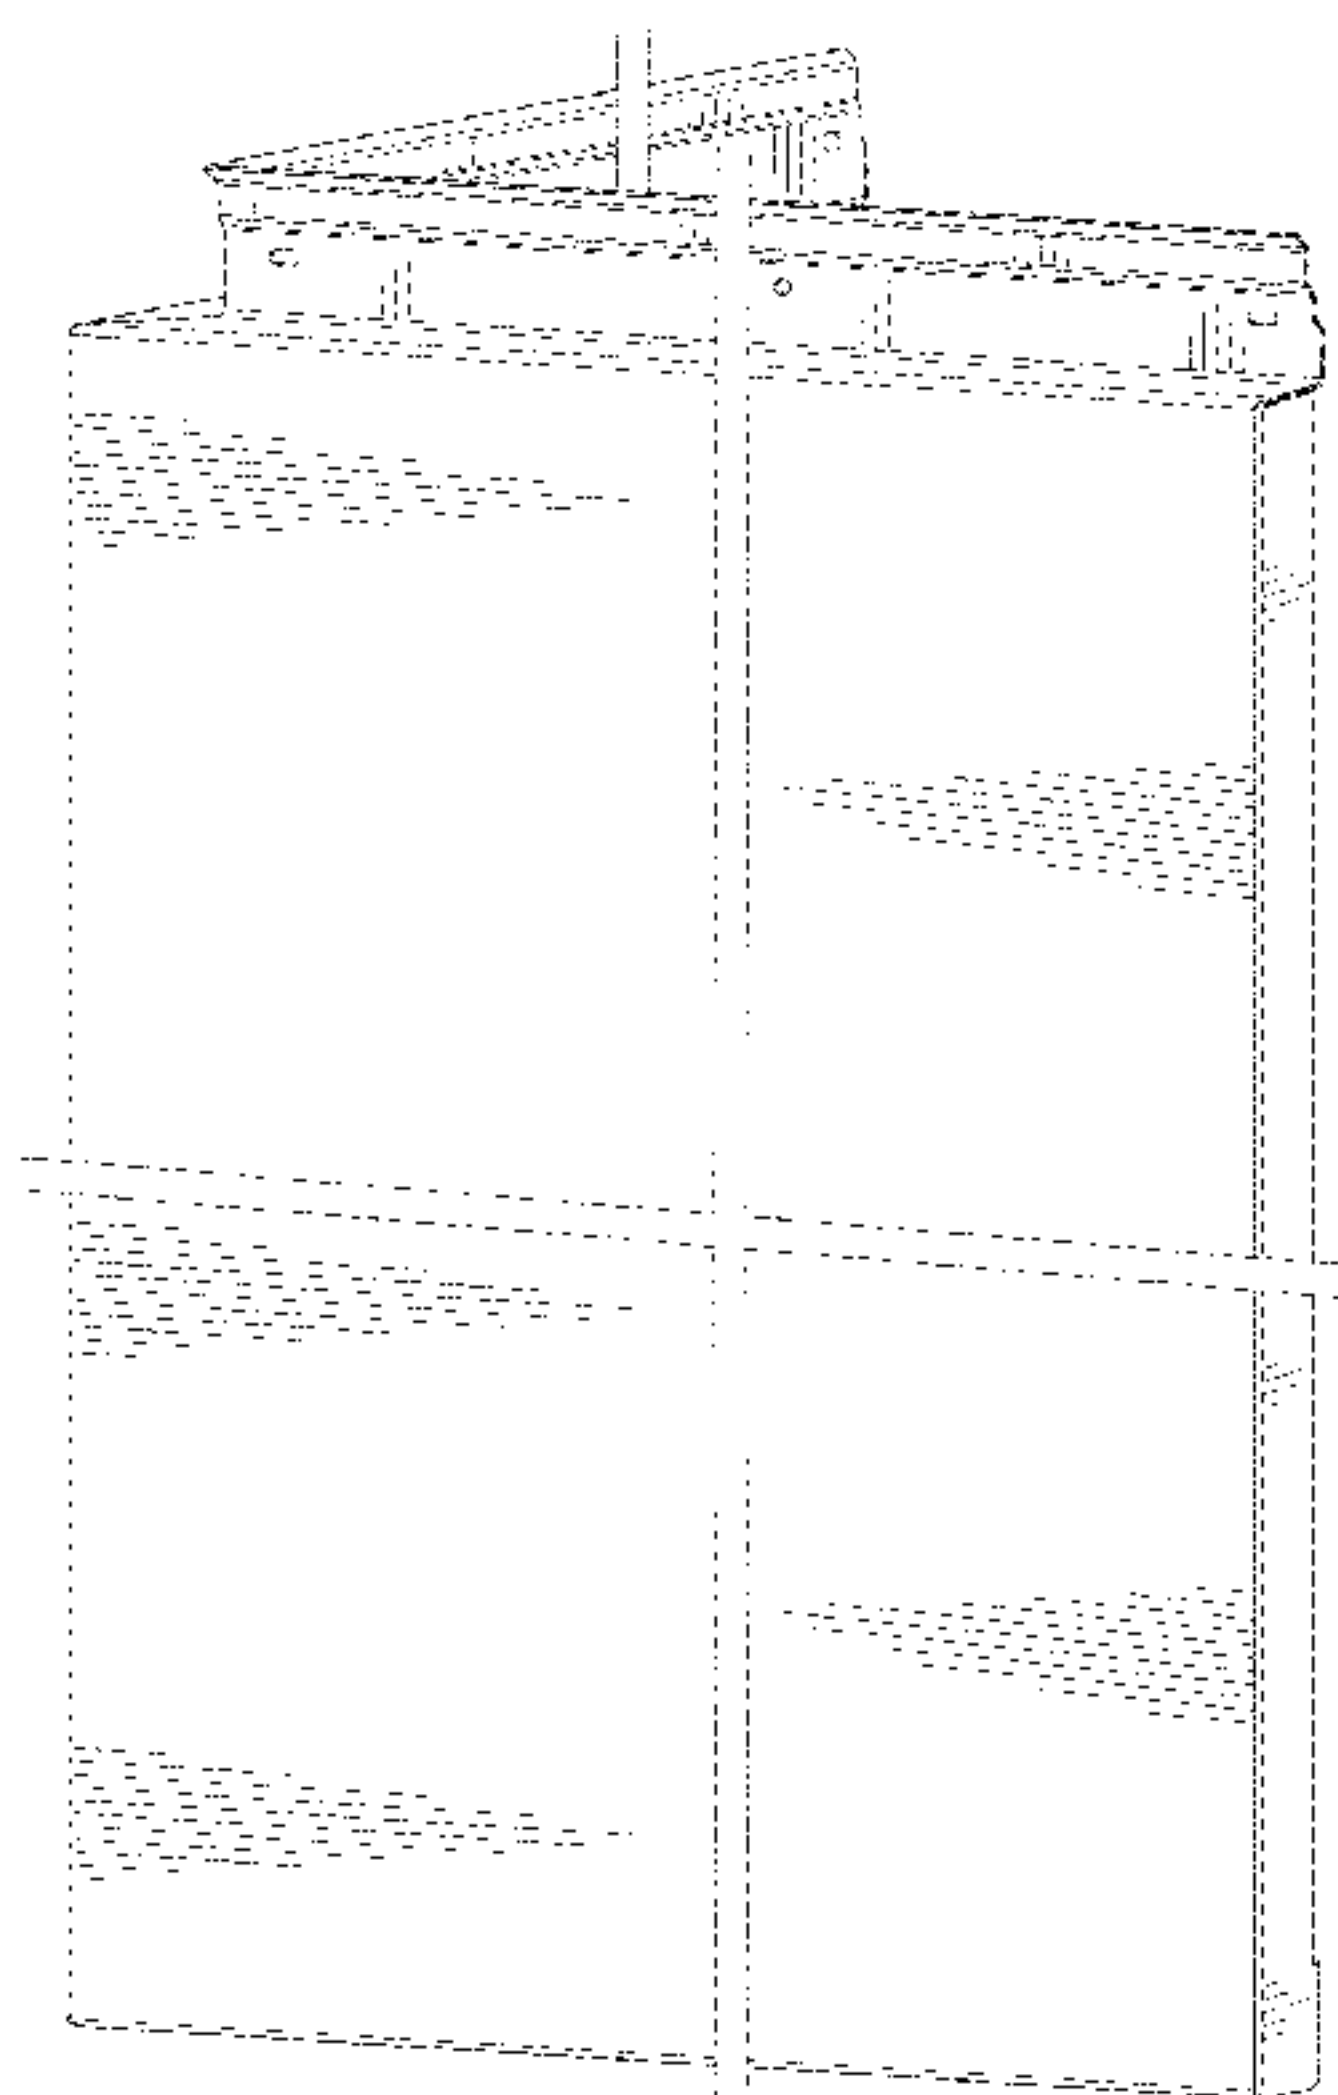

FIG. 6 is a bottom view of a façade panel of the present
invention; and,

FIG. 7 is a perspective view of a façade panel of the present
invention.

The broken lines in the figures are for contextual purposes
or show the environment and form no part of the claimed
design.

The portion between the dashed break lines in the drawings
are broken away to indicate no particular length or width of
the façade panel and such pairs of dashed break lines
themselves form no part of the claimed design. The material
that may be visible between the dashed break lines has been
removed for clarity. The façade panel is of indefinite height
and width as shown by dashed break lines in the drawings.

1 Claim, 7 Drawing Sheets
