(57) **CLAIM**

The ornamental design for a therapeutic energy emission headband, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a therapeutic energy emission headband showing our design in an uninflated state.

FIG. 2 is a front elevational view thereof.

FIG. 3 is a rear elevational view thereof.

FIG. 4 is a first side elevational view thereof.

FIG. 5 is a second side elevational view thereof.

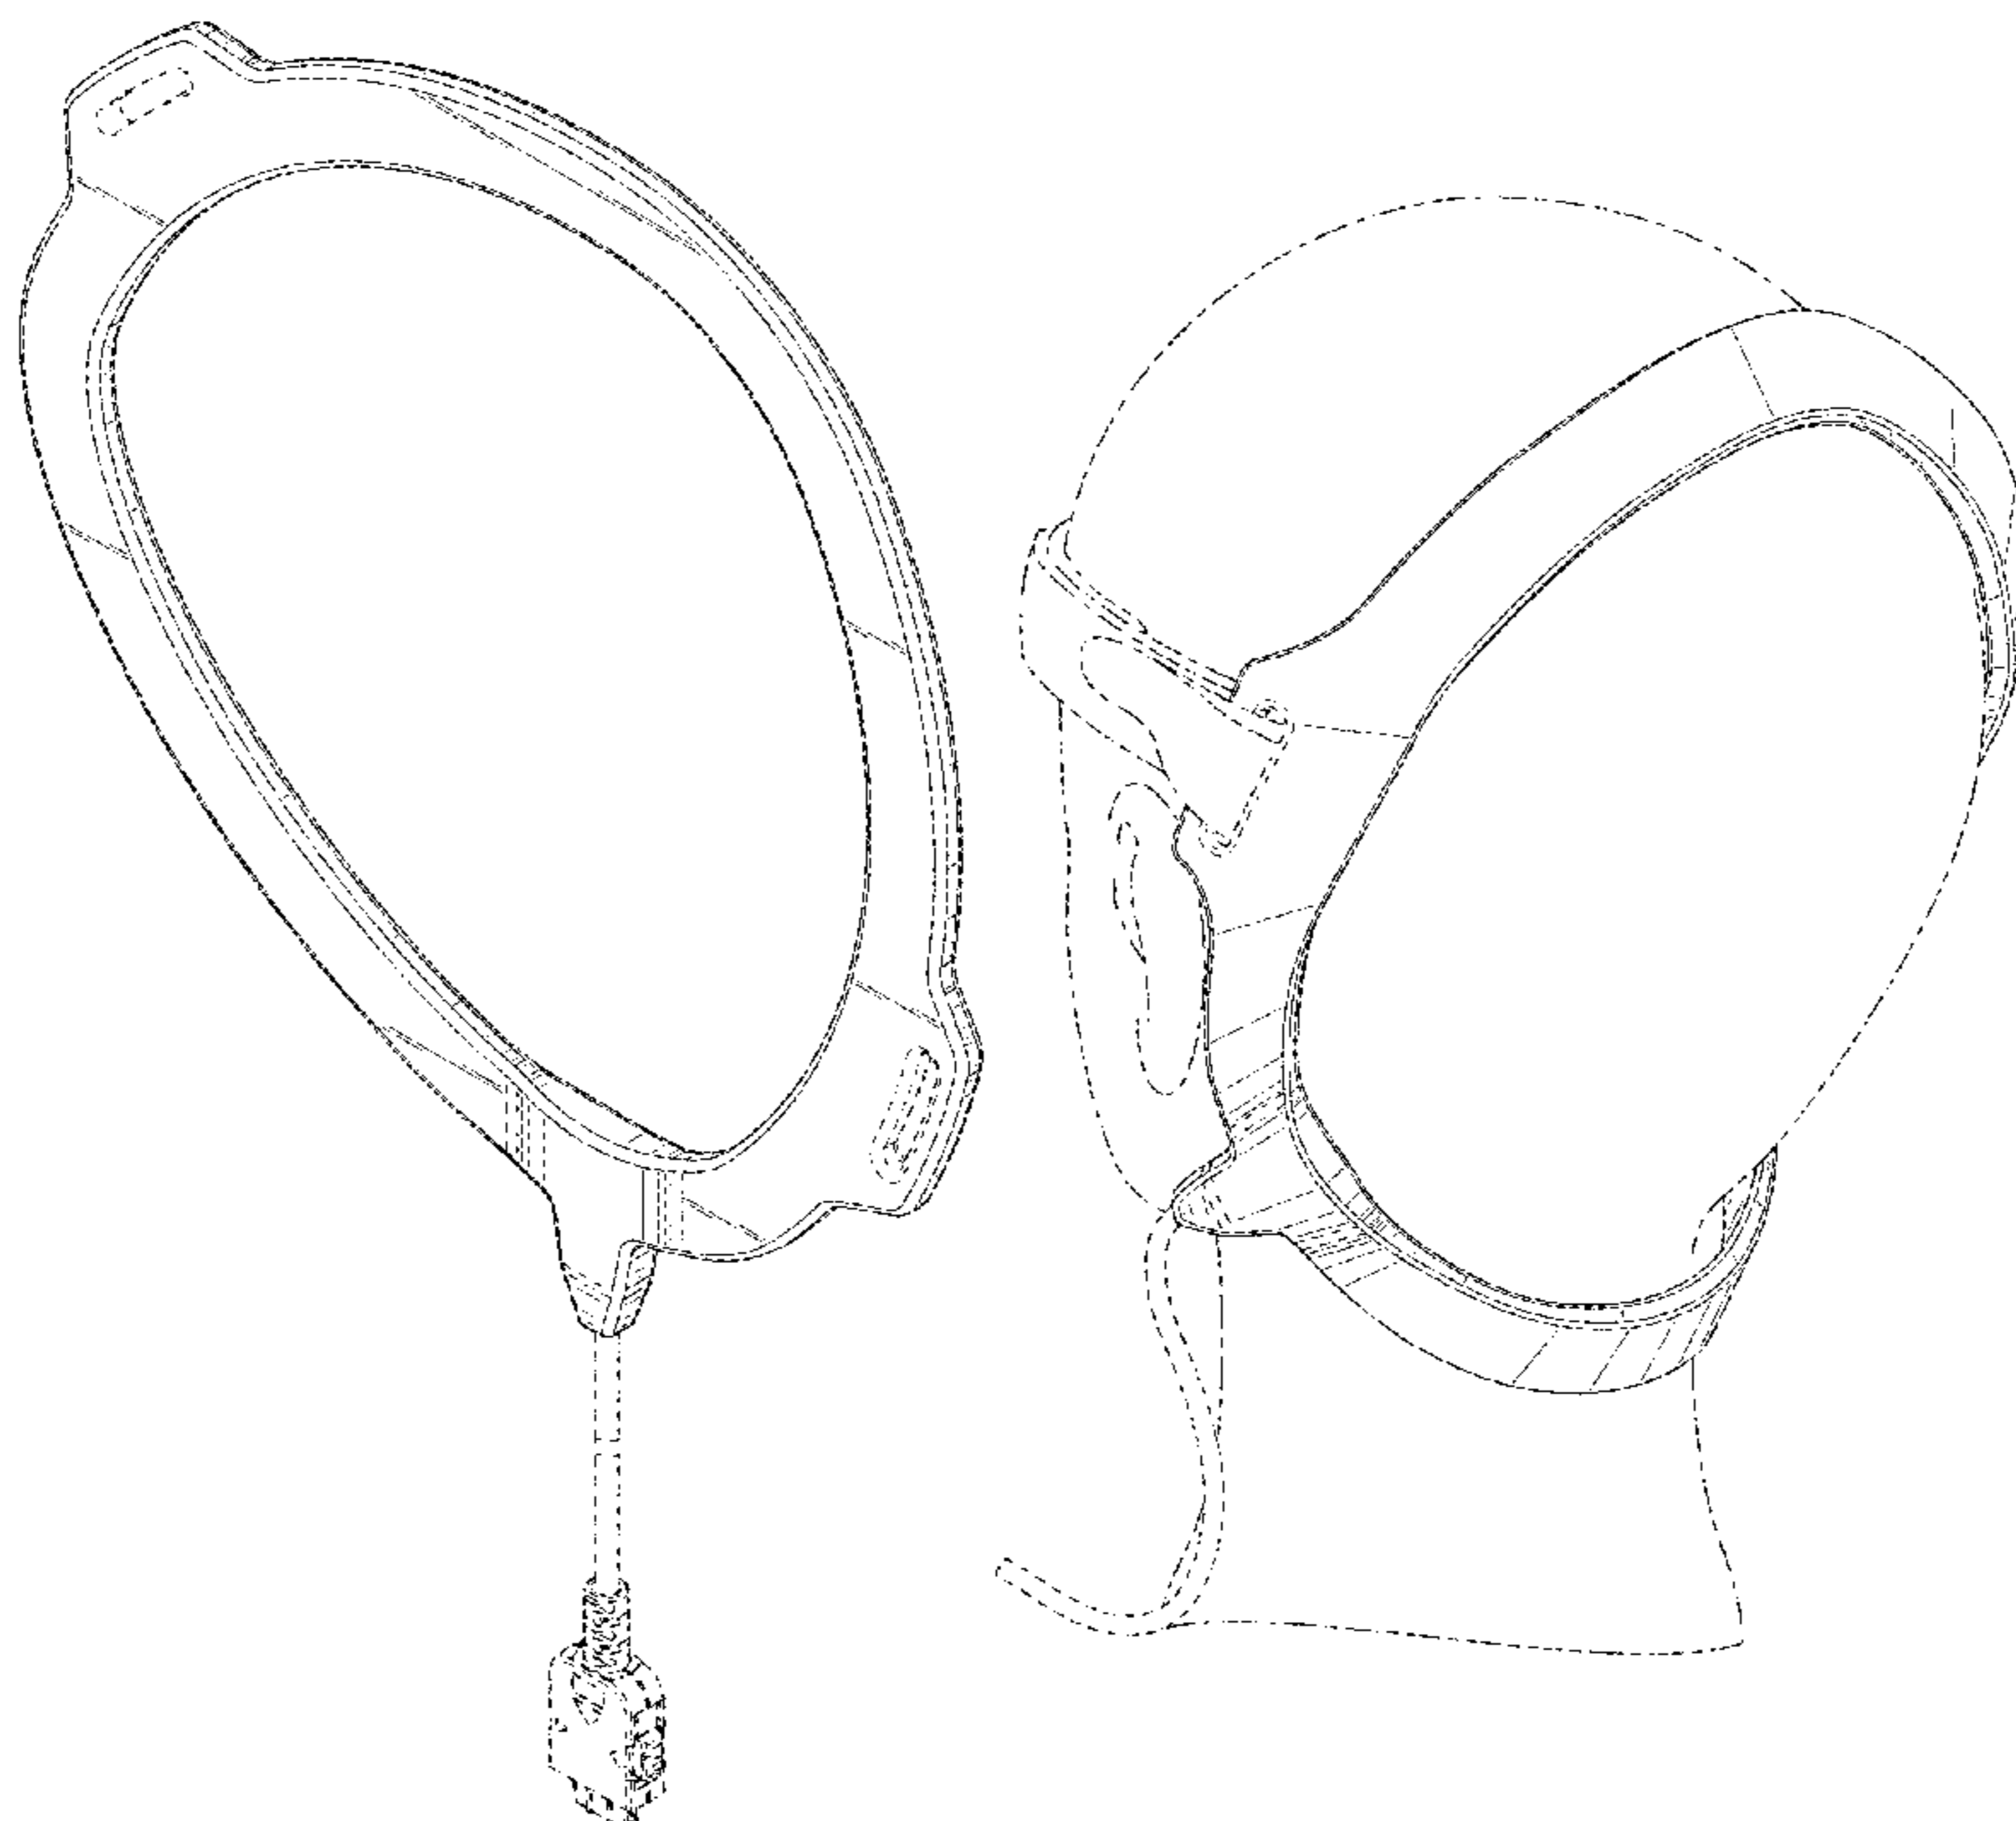

FIG. 6 is a top view thereof.

FIG. 7 is a bottom view thereof with broken line details removed for ease of illustration; and,

FIG. 8 is a rear perspective view of the therapeutic energy emission headband of FIGS. 1-7 positioned on a human head in a suitable environment.

Elements identified in broken lines in the accompanying drawings illustrate unclaimed portions of the article and/or a representative environment in which the design is embodied. The broken lines form no part of the claimed design. The design shown is not to be limited to any particular size and may be scaled larger or smaller.
