(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

**DESCRIPTION**

The single FIGURE is a front elevation view of a display screen or portion thereof with graphical user interface, showing the new design.

The perimeter broken line in the drawing showing a display screen forms no part in the claimed design. The broken lines of the graphical user interface illustrate portions of the graphical user interface that do not form part of the claimed design.
