(57) **CLAIM**

The ornamental design for a power trowel tool attachment, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a power trowel tool attachment embodying our new design; FIG. 2 is a top plan view thereof; FIG. 3 is a bottom plan view thereof; FIG. 4 is a side elevation view thereof; and, FIG. 5 is a close-up perspective view of the power trowel tool attachment taken from FIG. 1. The broken lines in the drawings illustrate portions of the power trowel tool attachment that form no part of the claimed design.
