(57) **CLAIM**

The ornamental design for a vacuum cleaner display screen with graphical user interface, as shown and described.

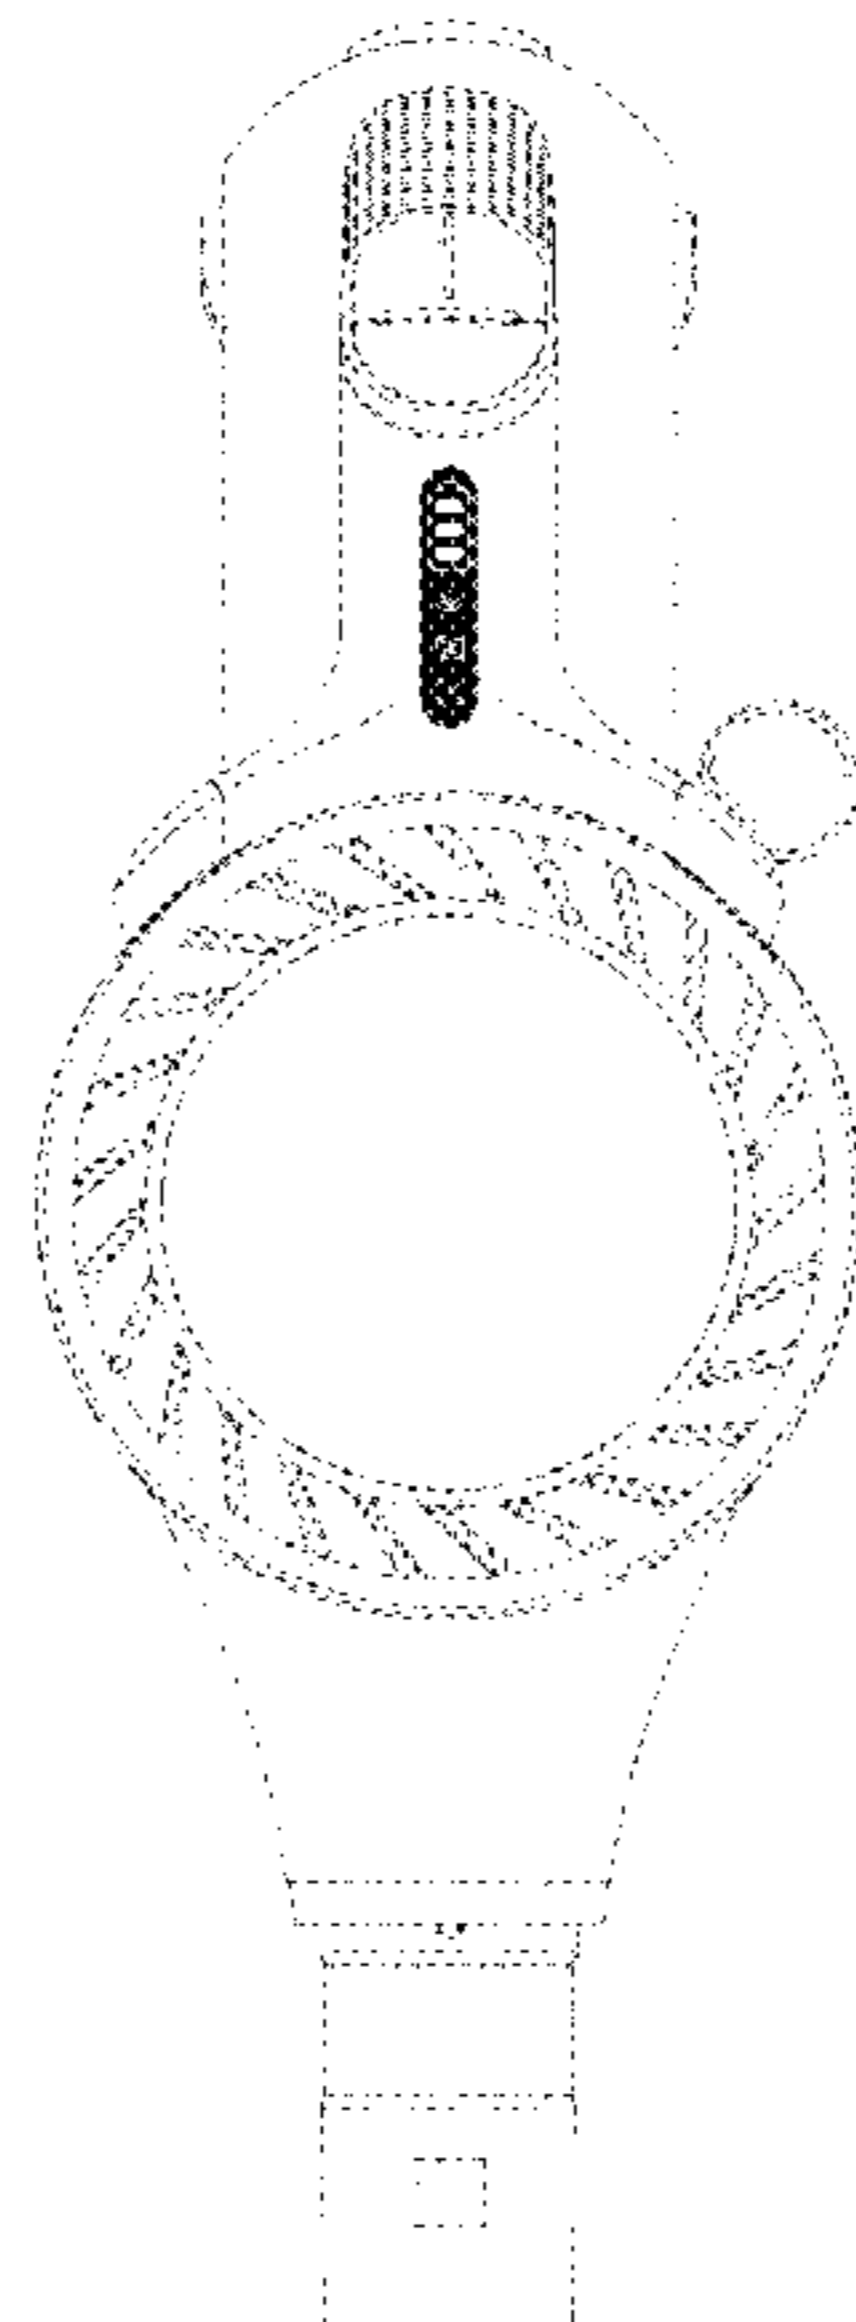

DESCRIPTION

The patent or application file contains at least one color drawing. Copies of this patent or patent application publication with color drawing will be provided by the USPTO upon request and payment of the necessary fee.

FIG. 1 is a top view of a vacuum cleaner display screen with graphical user interface showing our new design; and, FIG. 2 is an enlarged view.

The broken lines show the vacuum cleaner, which forms no part of the claimed design.
