(57) **CLAIM**
The ornamental design for a first response locator system, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a first response locator system, showing my new design, FIG. 2 is a top side view thereof, FIG. 3 is a bottom side view thereof; and, FIG. 4 is a front side view thereof. The back side, left side and right side are mirror images of the front side view. The broken lines show portions of the first response locator system that form no part of the claimed design.
