(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

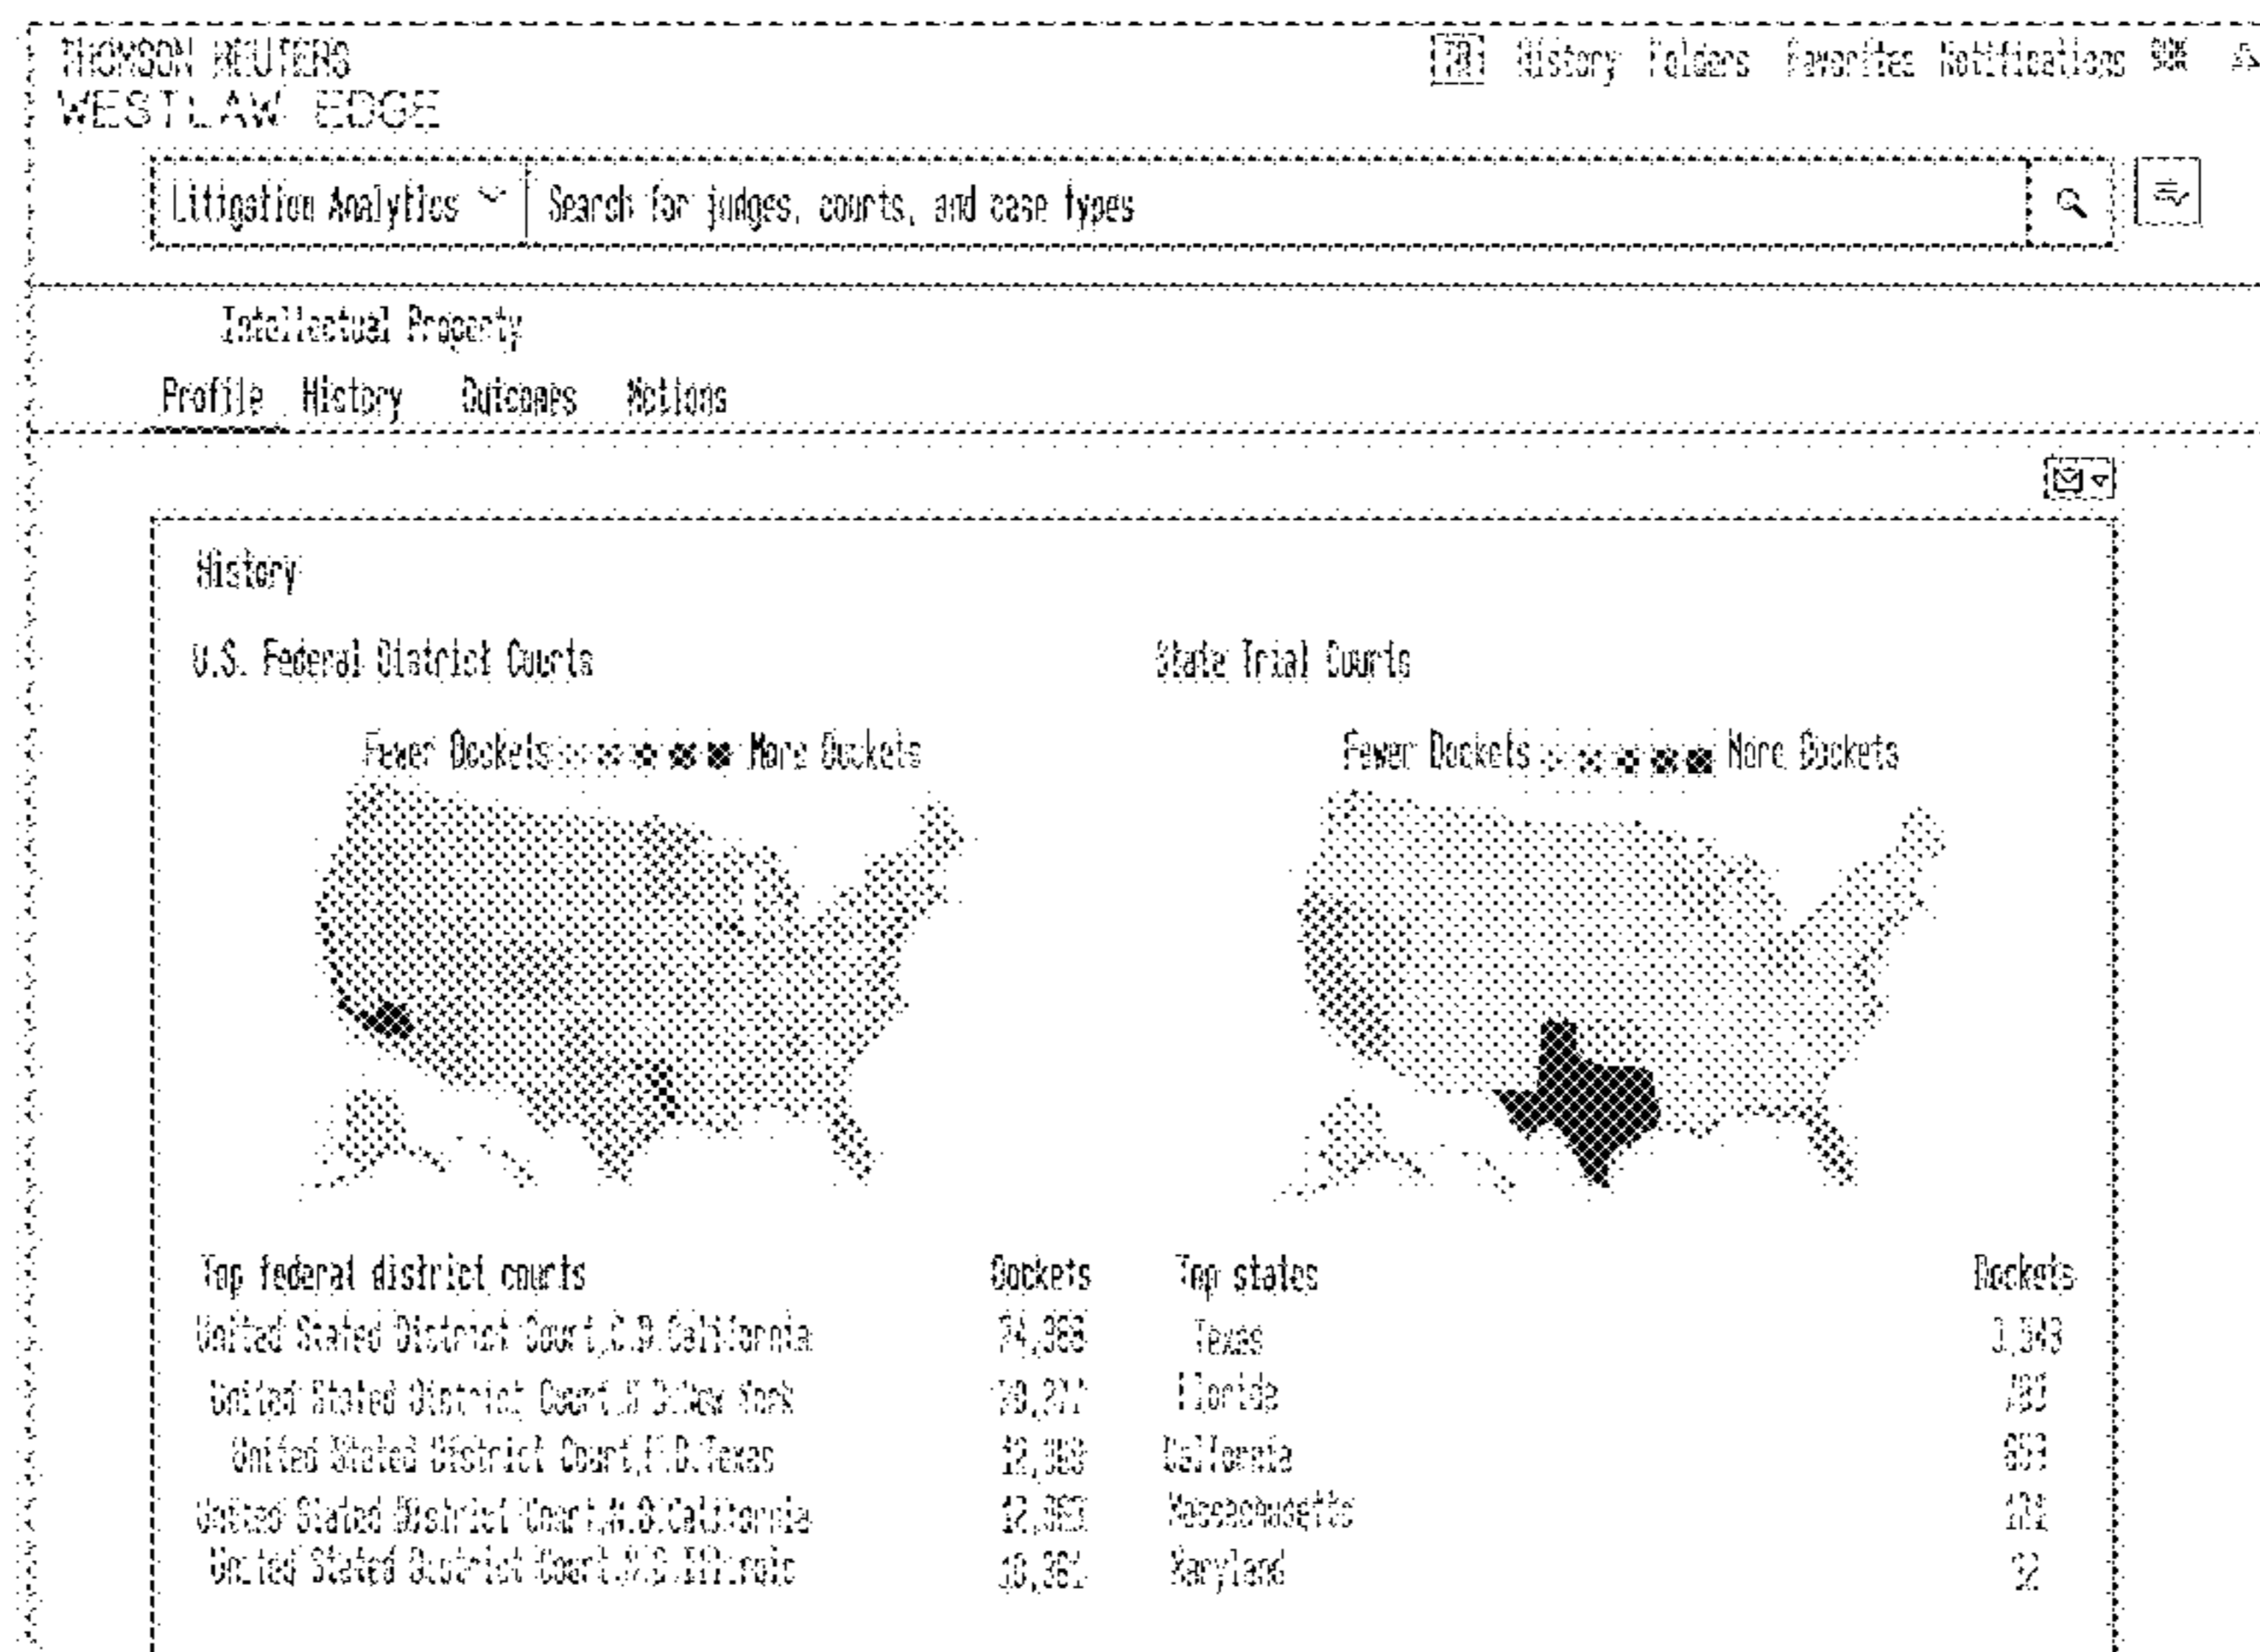

DESCRIPTION

The patent or application file contains a drawing executed in color. Copies of this patent or patent application publication with the color drawing will be provided by the Office upon request and payment of the necessary fee.

The sole FIGURE is front view of a display screen or portion thereof with graphical user interface showing our new design.

The broken line showing of the display screen or portion thereof and the remainder of the graphical user interface is for environmental purposes only and forms no part of the claimed design.
