(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen or portion thereof with graphical user interface, showing the new design.

The outermost broken line rectangle illustrates the display screen or portion thereof. All other broken lines show portions of the graphical user interface. The broken lines form no part of the claimed design.

1 Claim, 1 Drawing Sheet
