(57) **CLAIM**

The ornamental design for a digital camera body of lens replacing type, as shown and described.

DESCRIPTION

FIG. 1 is a front, bottom and left side perspective view of a digital camera body of lens replacing type showing my new design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a rear elevational view thereof;

FIG. 4 is a top plan view thereof;

FIG. 5 is a bottom plan view thereof;

FIG. 6 is a right side elevational view thereof; and,

FIG. 7 is a left side elevational view thereof.

The broken lines depict portions of the digital camera body of lens replacing type in which the design is embodied that form no part of the claimed design.

Additionally, the dash-dot lines denote the boundary of the claim and form no part of the claimed design.
