(57) **CLAIM**

The ornamental design for a set of modular orthopedical massage mats, as shown and described.

DESCRIPTION

FIG. 1 is a top view of a first portion of the set of modular orthopedical massage mats;

FIG. 2 is a bottom view of the first portion of the set of modular orthopedical massage mats;

FIG. 3 is a left view of the first portion of the set of modular orthopedical massage mats;

FIG. 4 is a right view of the first portion of the set of modular orthopedical massage mats;

FIG. 5 is front view of the first portion of the set of modular orthopedical massage mats;

FIG. 6 is rear view of the first portion of the set of modular orthopedical mats;

FIG. 7 is a perspective view of the first portion of the set of modular orthopedical massage mats.

FIG. 8 is a top view of a second portion of the set of modular orthopedical massage mats;

FIG. 9 is a bottom view of the second portion of the set of modular orthopedical massage mats;

FIG. 10 is a left view of the second portion of the set of modular orthopedical massage mats;

FIG. 11 is a right view of the second portion of the set of modular orthopedical massage mats;

FIG. 12 is front view of the second portion of the set of modular orthopedical massage mats;

FIG. 13 is rear view of the second portion of the set of modular orthopedical massage mats;

FIG. 14 is a perspective view of the second portion of the set of modular orthopedical massage mats.

FIG. 15 is a top view of a third portion of the set of modular orthopedical massage mats;

FIG. 16 is a bottom view of the third portion of the set of modular orthopedical massage mats;

FIG. 17 is a left view of the third portion of the set of modular orthopedical massage mats;

FIG. 18 is a right view of the third portion of the set of modular orthopedical massage mats;

FIG. 19 is front view of the third portion of the set of modular orthopedical massage mats;

FIG. 20 is rear view of the third portion of the set of modular orthopedical massage mats;

FIG. 21 is a perspective view of the third portion of the set of modular orthopedical massage mats.

FIG. 22 is a top view of a fourth portion of the set of modular orthopedical massage mats;

FIG. 23 is a bottom view of the fourth portion of the set of modular orthopedical massage mats;

FIG. 24 is a left view of the fourth portion of the set of modular orthopedical massage mats;

FIG. 25 is a right view of the fourth portion of the set of modular orthopedical massage mats;

(Continued)

FIG. 26 is front view of the fourth portion of the set of modular orthopedical massage mats;
 FIG. 27 is rear view of the fourth portion of the set of modular orthopedical massage mats;
 FIG. 28 is a perspective view of the fourth portion of the set of modular orthopedical massage mats.
 FIG. 29 is a first construction of the set of modular orthopedical massage mats.
 FIG. 30 is a second construction of the set of modular orthopedical massage mats.
 FIG. 31 is a third construction of the set of modular orthopedical massage mats; and,
 FIG. 32 is a fourth construction of the set of modular orthopedical massage mats.
