(57) **CLAIM**

I claim the ornamental design for a water bottle, as shown and described.

DESCRIPTION

FIG. 1 is a front/left/top perspective view of a water bottle in an uninflated state;
FIG. 2 is another front/left/top perspective view thereof shown with the water bottle in an inflated state;
FIG. 3 is a top plan view thereof shown with the water bottle in an inflated state;
FIG. 4 is a left side elevational view thereof shown with the water bottle in an uninflated state;
FIG. 5 is another left side elevational view thereof shown with the water bottle in an inflated state;
FIG. 6 is a rear elevational view thereof shown with the water bottle in an inflated state; and,
FIG. 7 is another rear elevational view thereof shown with the water bottle in an uninflated state.

The broken lines showing the plug (distal end at the rear) in all the figures are directed to environment and form no part of the claimed design.

1 Claim, 7 Drawing Sheets
