CLAIM

I claim the ornamental design for a vehicle door, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a front view of a vehicle door, showing my new design.

FIG. 2 is a right side and front perspective view thereof; and,

FIG. 3 is a left side and front perspective view thereof. The broken lines illustrate portions of the vehicle door that form no part of the claimed design.
