(57) **CLAIM**

We claim the ornamental design for a housing for a power module assembly, as shown and described.

DESCRIPTION

FIG. 1 is a left front side perspective view of another aspect of the housing for a power module assembly;
FIG. 2 is a front side view of the housing for a power module assembly shown in FIG. 1;
FIG. 3 is a back side view of the housing for a power module assembly shown in FIG. 1;
FIG. 4 is a left side view of the housing for a power module assembly shown in FIG. 1;
FIG. 5 is a right side view of the housing for a power module assembly shown in FIG. 1;
FIG. 6 is a top side view of the housing for a power module assembly shown in FIG. 1; and,
FIG. 7 is a bottom side view of the housing for a power module assembly shown in FIG. 1.
The broken lines showing portions of the housing for a power module assembly forms no part of the claimed design.

1 Claim, 7 Drawing Sheets
