(57) **CLAIM**

The ornamental design for a display screen or portion thereof with icon, as shown and described.

DESCRIPTION

The patent file contains at least one drawing executed in color. Copies of this patent with color drawings will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a front view of a display screen or portion thereof with icon showing our new design according to a first embodiment; and,

FIG. 2 is a front view of a display screen or portion thereof with icon showing our new design according to a second embodiment.

The outer perimeter illustrated by broken lines in the figures illustrates a display screen or portion thereof and forms no part of the claimed design.
