FIG. 8 is another rear perspective view of the rear body assembly illustrated in FIG. 1, particularly illustrating an environmental view of the rear body assembly installed on a work vehicle, such as a wheel loader.

The broken lines contained within the figures, including, but, not limited to, any dash-dot broken lines and/or dash-dash broken lines, represent portions of the rear body assembly for a work vehicle that form no part of the claimed design. Additionally, contour lines and/or surface shading are illustrated simply for purposes of highlighting the solid-rendering, and, thus, form no part of the claimed design.
