(57) **CLAIM**

I claim the ornamental design for milestone cribbage board, as shown and described.

DESCRIPTION

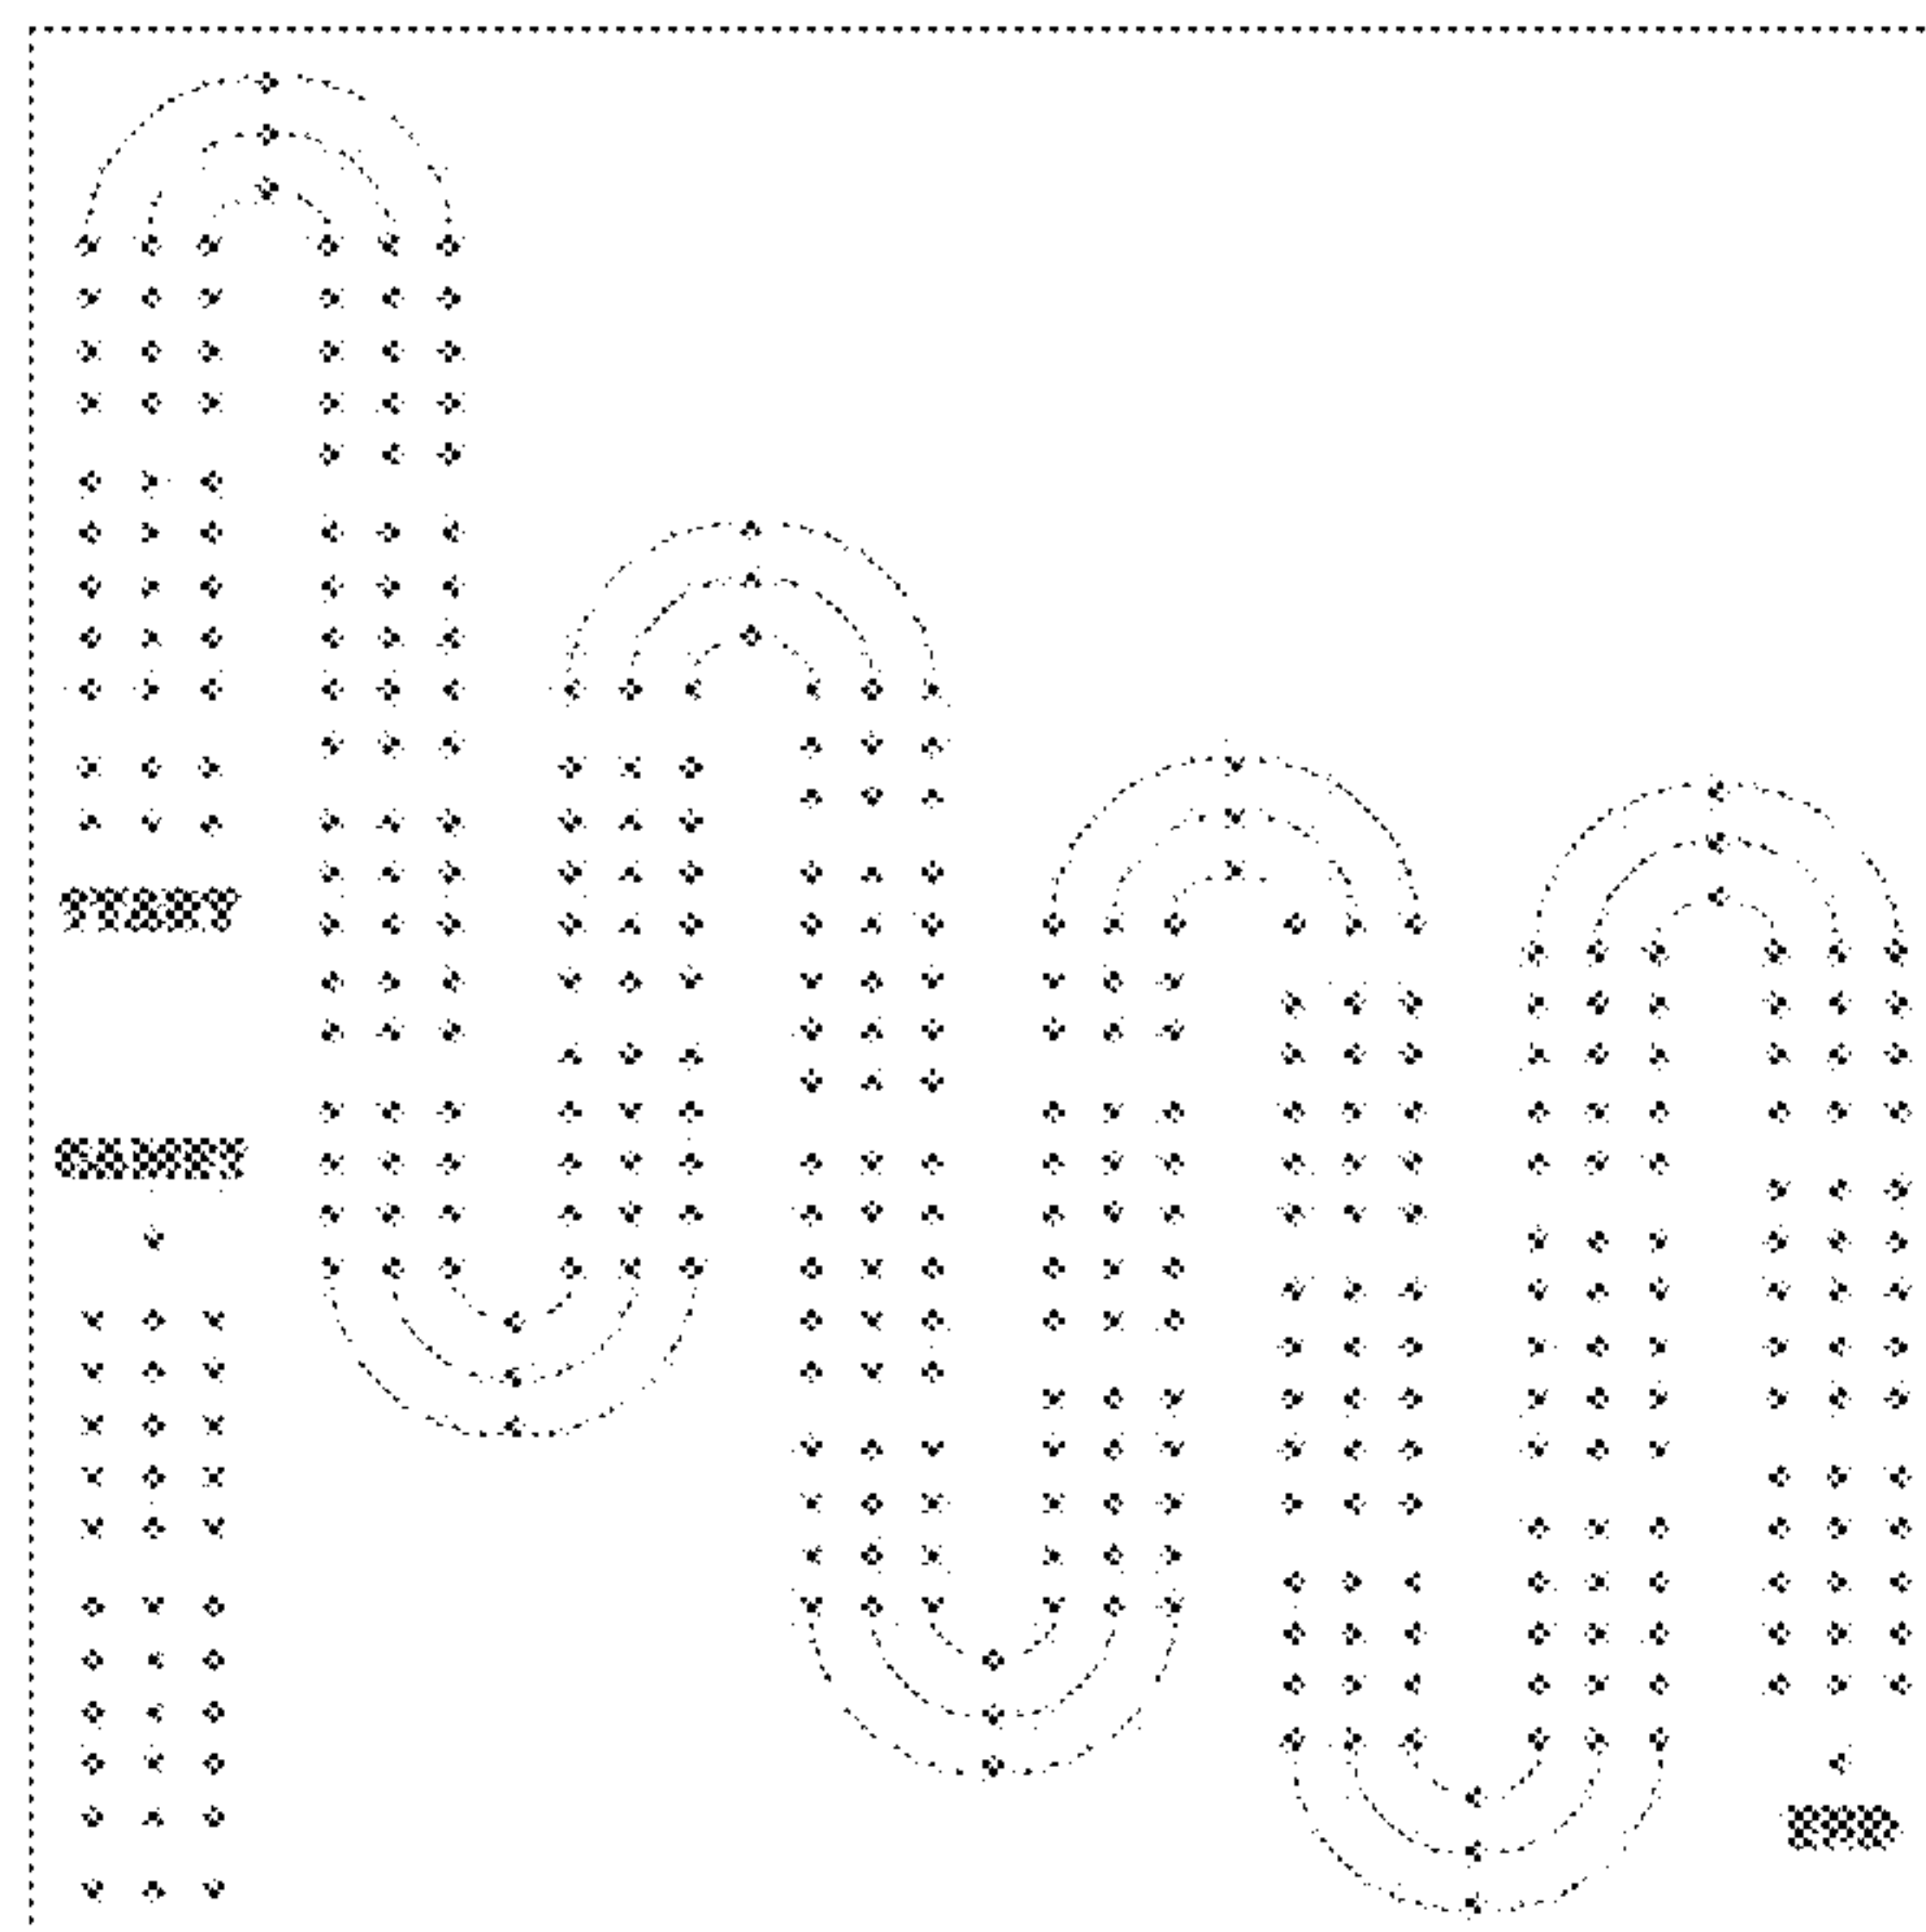

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee. The FIGURE is a top plan view of milestone cribbage board in accordance with the present design. The board is flat and of conventional thickness. Certain holes are designated “milestones”, and there is a tally for “games won” area.
