(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

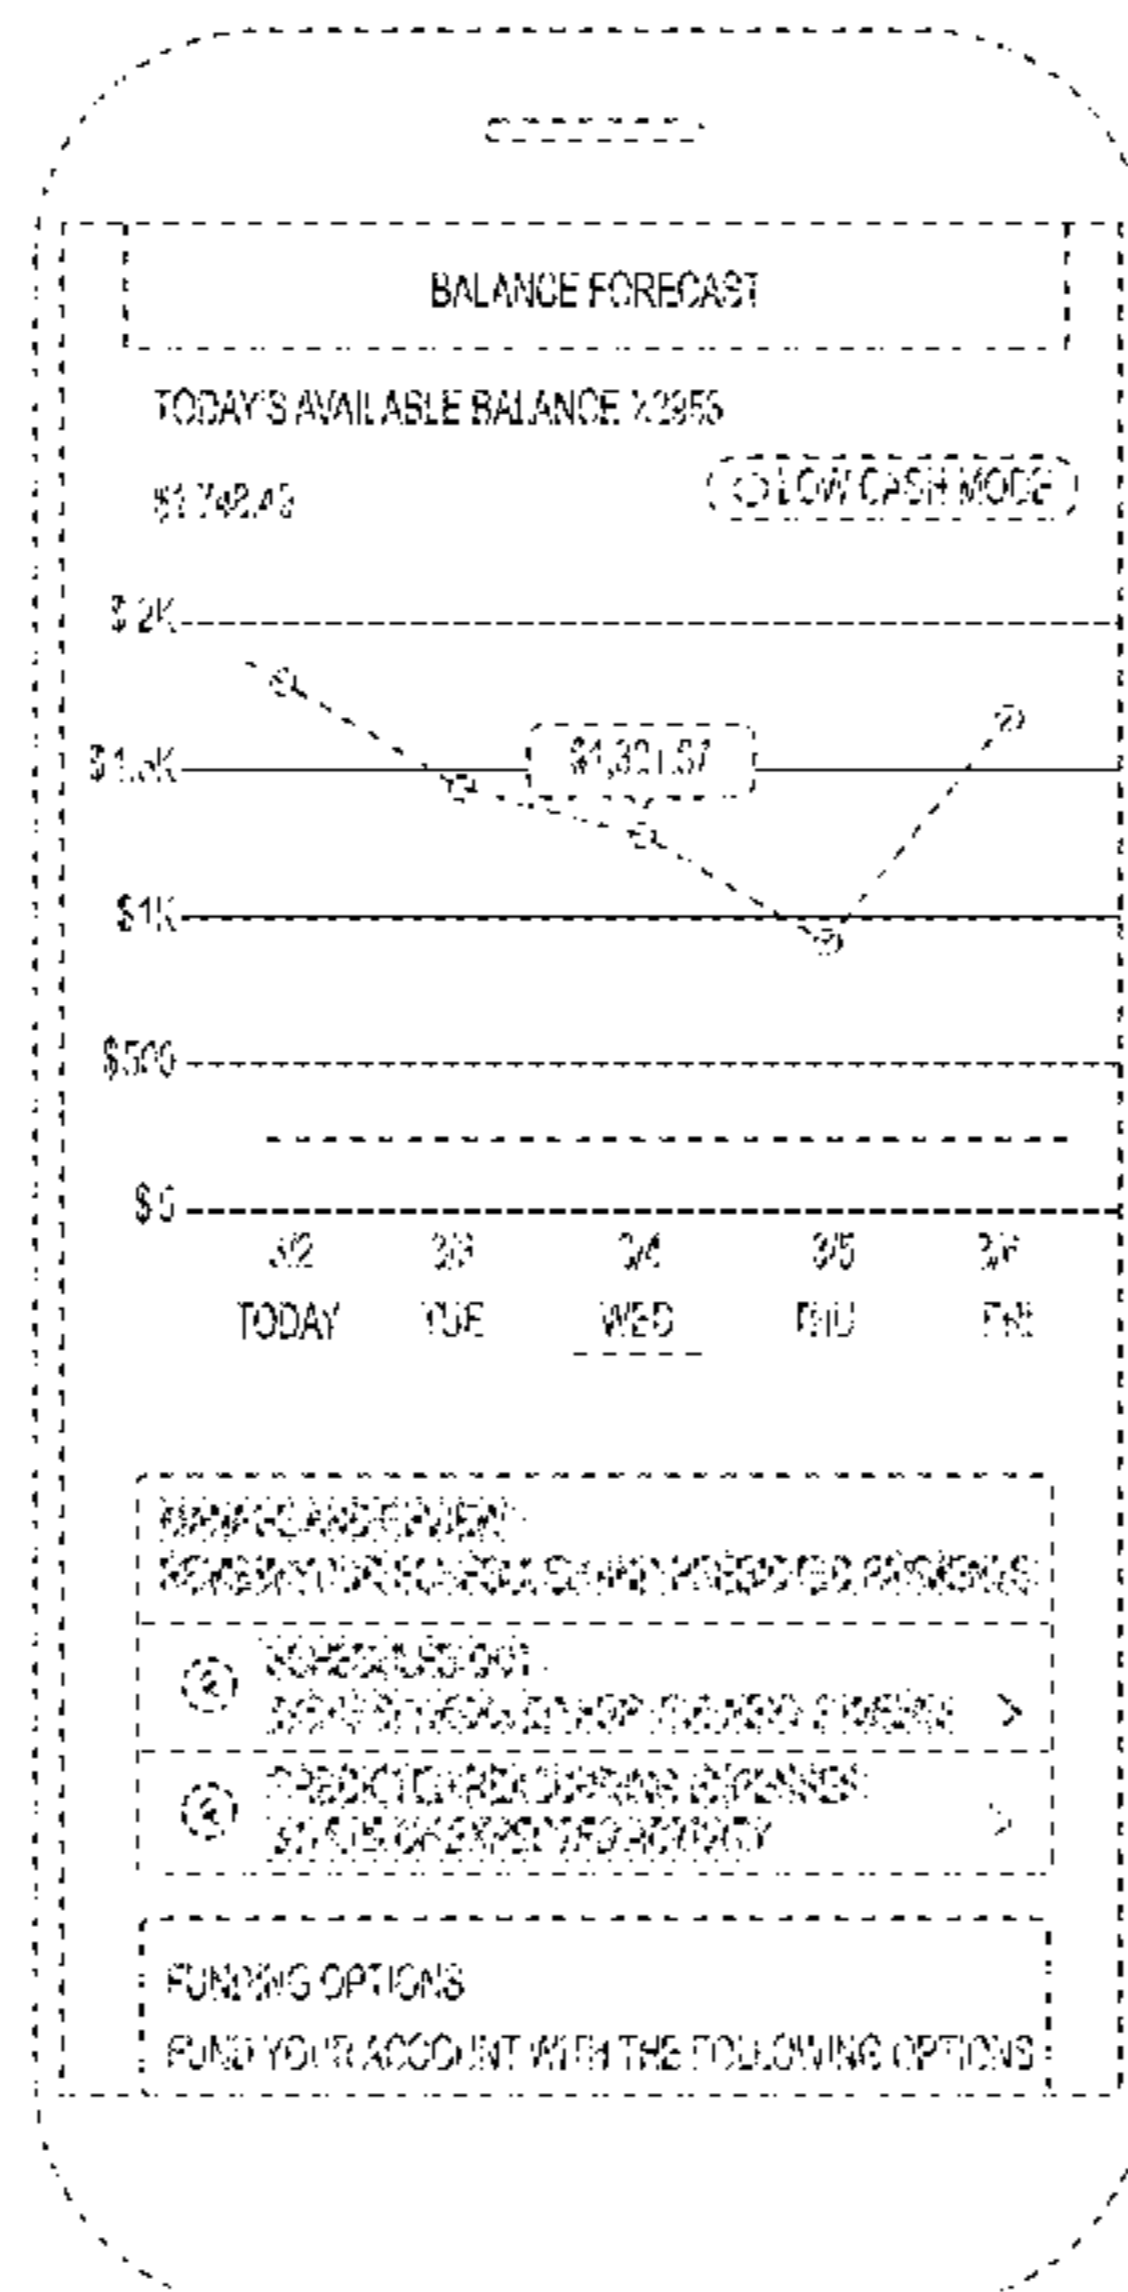

DESCRIPTION

The FIGURE is a front view of an electronic device with display screen with graphical user interface showing the claimed design.

The outermost sharp-cornered broken-line rectangle in the FIGURE shows the perimeter of a display screen and forms no part of the claimed design. The broken lines outside this perimeter illustrate portions of an electronic device and form no part of the claimed design.

The other broken lines in the FIGURE show portions of the graphical user interface that form no part of the claimed design.
