(57) **CLAIM**

The ornamental design for a display screen with graphical user interface for an account identifier, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of a first embodiment of a display screen with graphical user interface for an account identifier showing the new design;

FIG. 2 is a front view of a second embodiment of a display screen with graphical user interface for an account identifier showing the new design;

FIG. 3 is a front view of a third embodiment of a display screen with graphical user interface for an account identifier showing the new design;

FIG. 4 is a front view of a fourth embodiment of a display screen with graphical user interface for an account identifier showing the new design;

FIG. 5 is a front view of a fifth embodiment of a display screen with graphical user interface for an account identifier showing the new design; and,

FIG. 6 is a front view of a sixth embodiment of a display screen with graphical user interface for an account identifier showing the new design.

The broken line showing of a display screen with graphical user interface is included for the purpose of showing portions of the article which form no part of the claim.

**1 Claim, 2 Drawing Sheets**
