(57) **CLAIM**

The ornamental design for a combination vehicle-mountable radio transceiver and antenna, as shown and described.

DESCRIPTION

FIG. **1** is a perspective view of the combination vehicle-mountable radio transceiver and antenna;
FIG. **2** is a front elevation of the combination vehicle-mountable radio transceiver and antenna shown in FIG. **1**;
FIG. **3** is a rear elevation of the combination vehicle-mountable radio transceiver and antenna shown in FIG. **1**;
FIG. **4** is a left side elevation of the combination vehicle-mountable radio transceiver and antenna shown in FIG. **1**;
FIG. **5** is a right side elevation of the combination vehicle-mountable radio transceiver and antenna shown in FIG. **1**; and,
FIG. **6** is a top plan view of the combination vehicle-mountable radio transceiver and antenna shown in FIG. **1**.
The broken lines shown in the drawings are for purposes of illustrating portions of the combination vehicle-mounted radio transceiver and antenna that form no part of the claimed design.
