(57) **CLAIM**

The ornamental design for a blank for punnet tray, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a first embodiment of the blank for punnet tray of the present invention.

The blank for punnet tray is flat with a given thickness and with no ornamentation on the rear thereof; and,

FIG. 2 is a top plan view of a second embodiment of the blank for punnet tray of the present invention.

The blank for punnet tray is flat with a given thickness and with no ornamentation on the rear thereof.

The broken lines in the drawings illustrate portions of the blank for punnet tray which form no part of the claimed design.

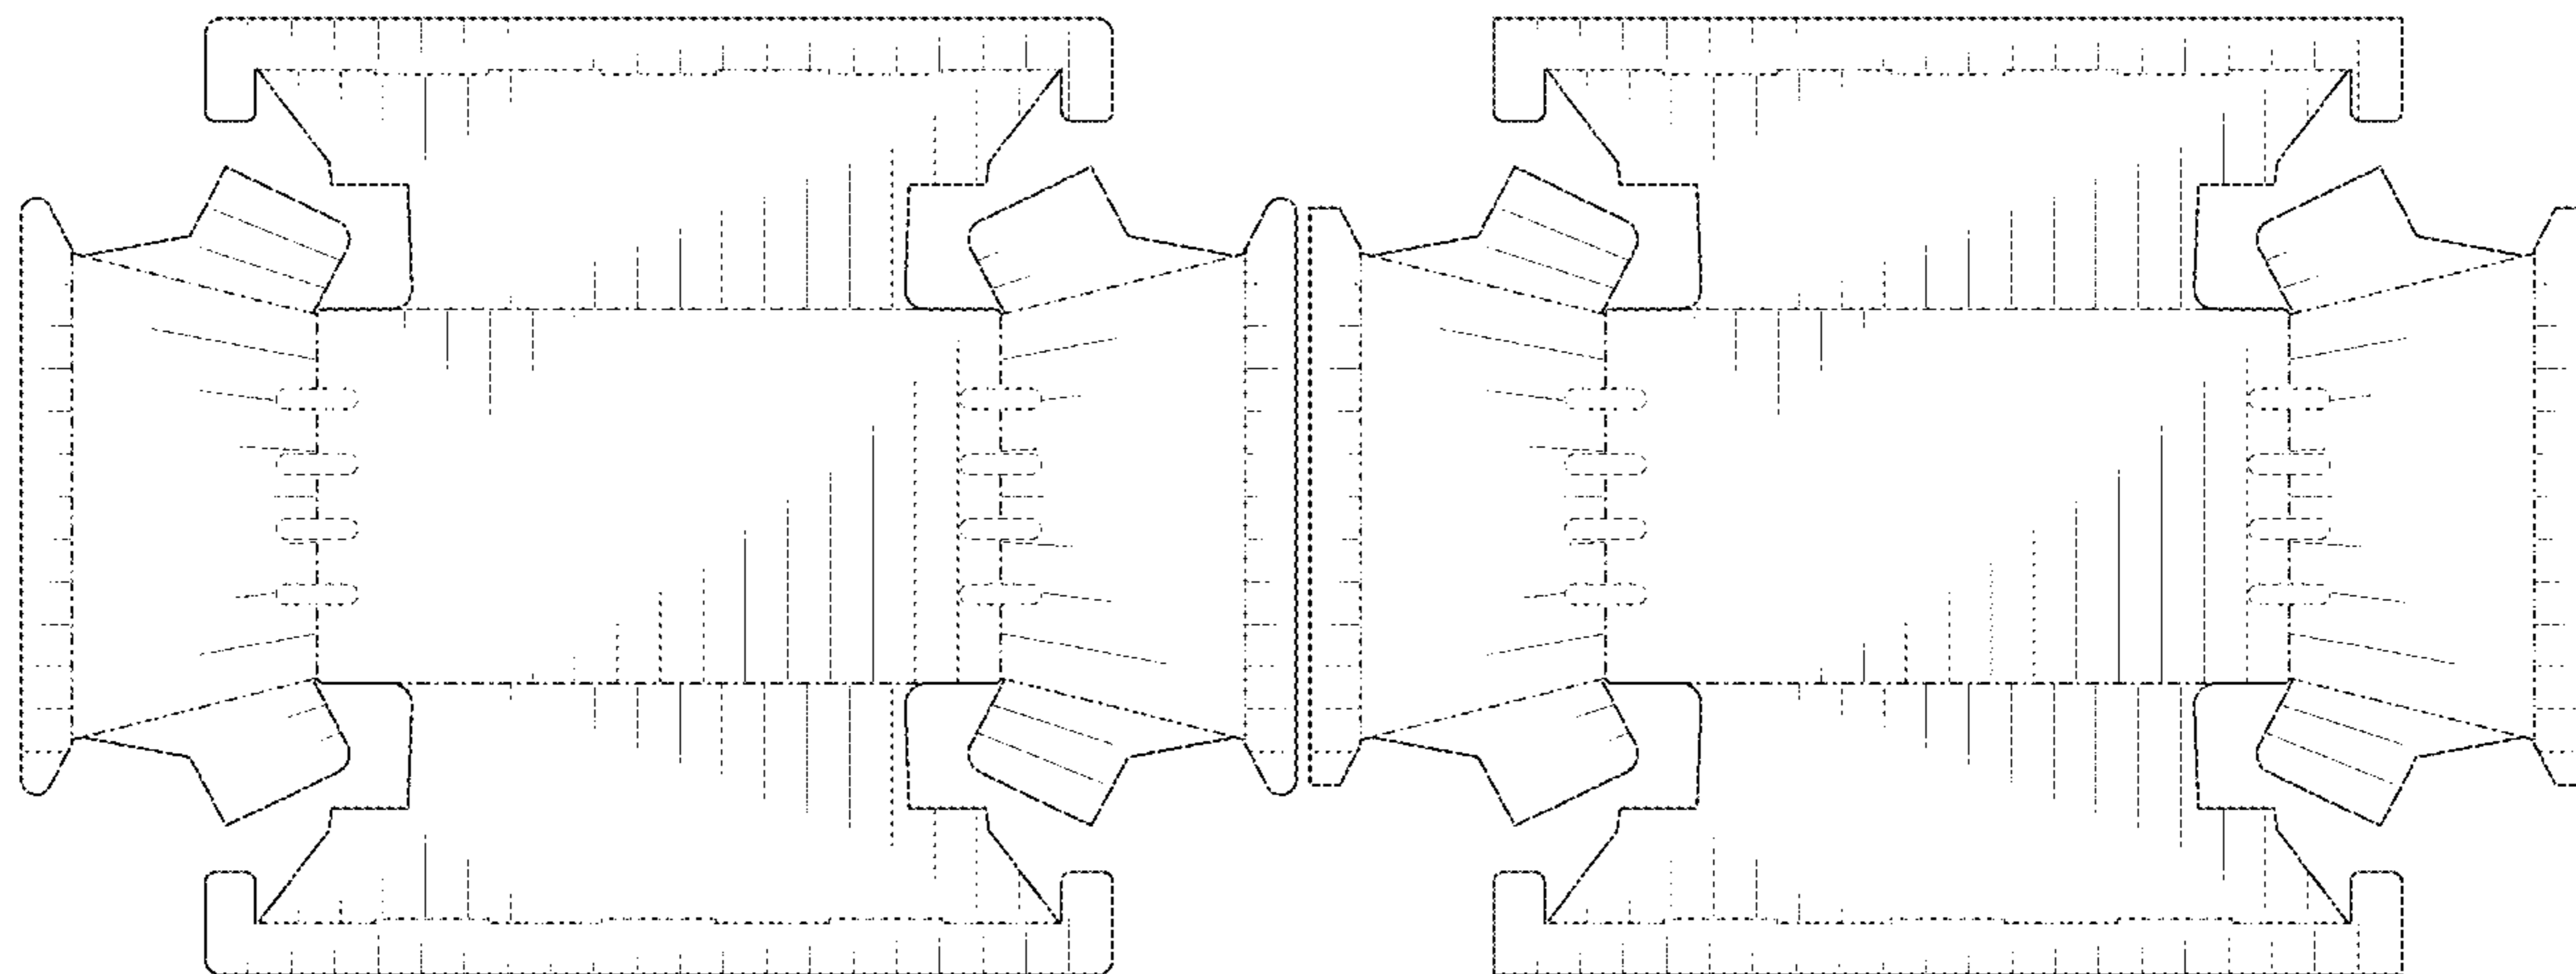

The dot-dash broken lines in the drawings illustrate portions of the blank for punnet tray which represent fold lines and which form no part of the claimed design.
