(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

**DESCRIPTION**

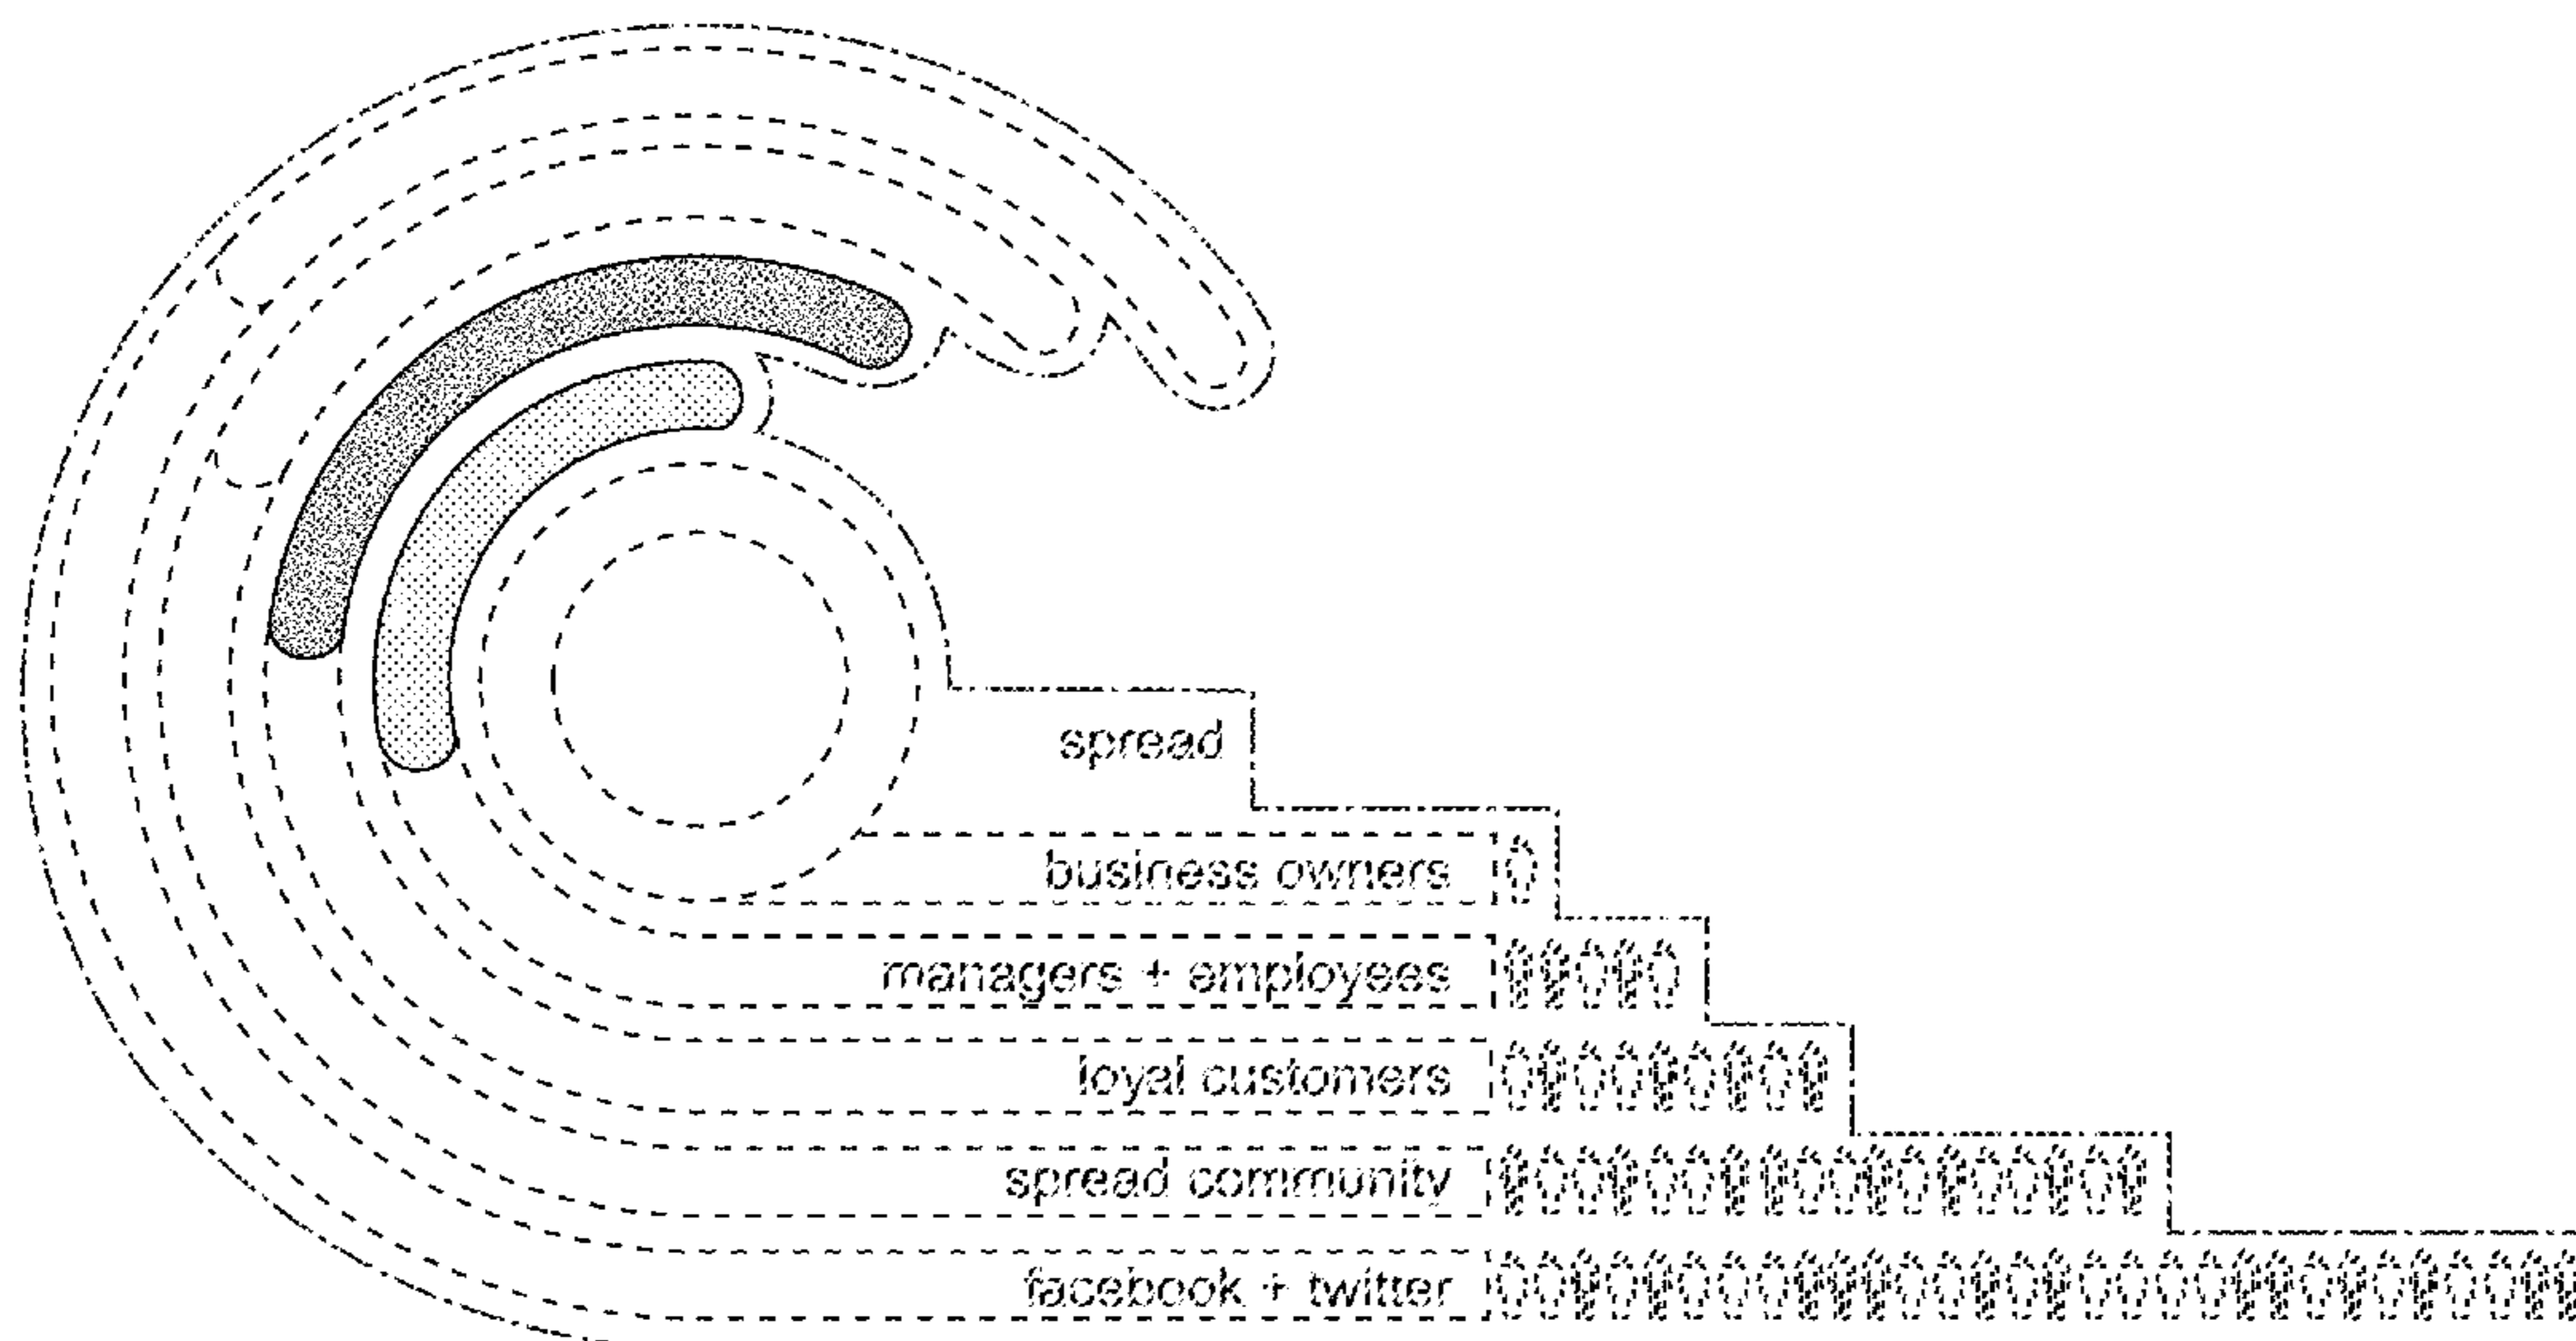

The FIGURE is a front view of a display screen with graphical user interface showing our new design. The grayscale contrast between the two shaded regions represents a contrast in appearance. The even-length broken lines illustrating portions of the graphical user interface form no part of the claimed design. The uneven-length broken line illustrating a display screen forms no part of the claimed design.

**1 Claim, 1 Drawing Sheet**
