The ornamental design for a display screen or portion thereof with a graphical user interface, substantially as shown and described.

**DESCRIPTION**

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawings will be provided by the Office upon request and payment of the necessary fee. The sole FIGURE is a front view of a display screen or portion thereof with graphical user interface. The broken lines depict the perimeter of a portion of a display screen and form no part of the claimed design.
