(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is the front view of a display screen or portion thereof with graphical user interface, showing the image of my new design. Broken lines shown in the figure illustrate a display screen or portion thereof, and form no part of the claimed design. All other broken lines shown in the figures illustrate portions of a graphical user interface that form no part of the claimed design.

1 Claim, 1 Drawing Sheet
