(57) **CLAIM**

The ornamental design for a razor handle, as shown and described.

**DESCRIPTION**

The file of this patent contains at least one drawing/photograph executed in color. Copies of this patent with color drawing(s)/photograph(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a perspective view of a razor handle showing my new design, where a blade is extended from the razor handle such that the blade is perpendicular to the handle;

FIG. 2 is a perspective view of the razor handle, where the blade is folded into the razor handle;

FIG. 3 is a right side view of the razor handle with the blade extended in three positions;

FIG. 4 is a right side view of the razor handle, where the blade is folded into the handle of the razor handle;

FIG. 5 is a front view of the razor handle;

FIG. 6 is a rear view of the razor handle;

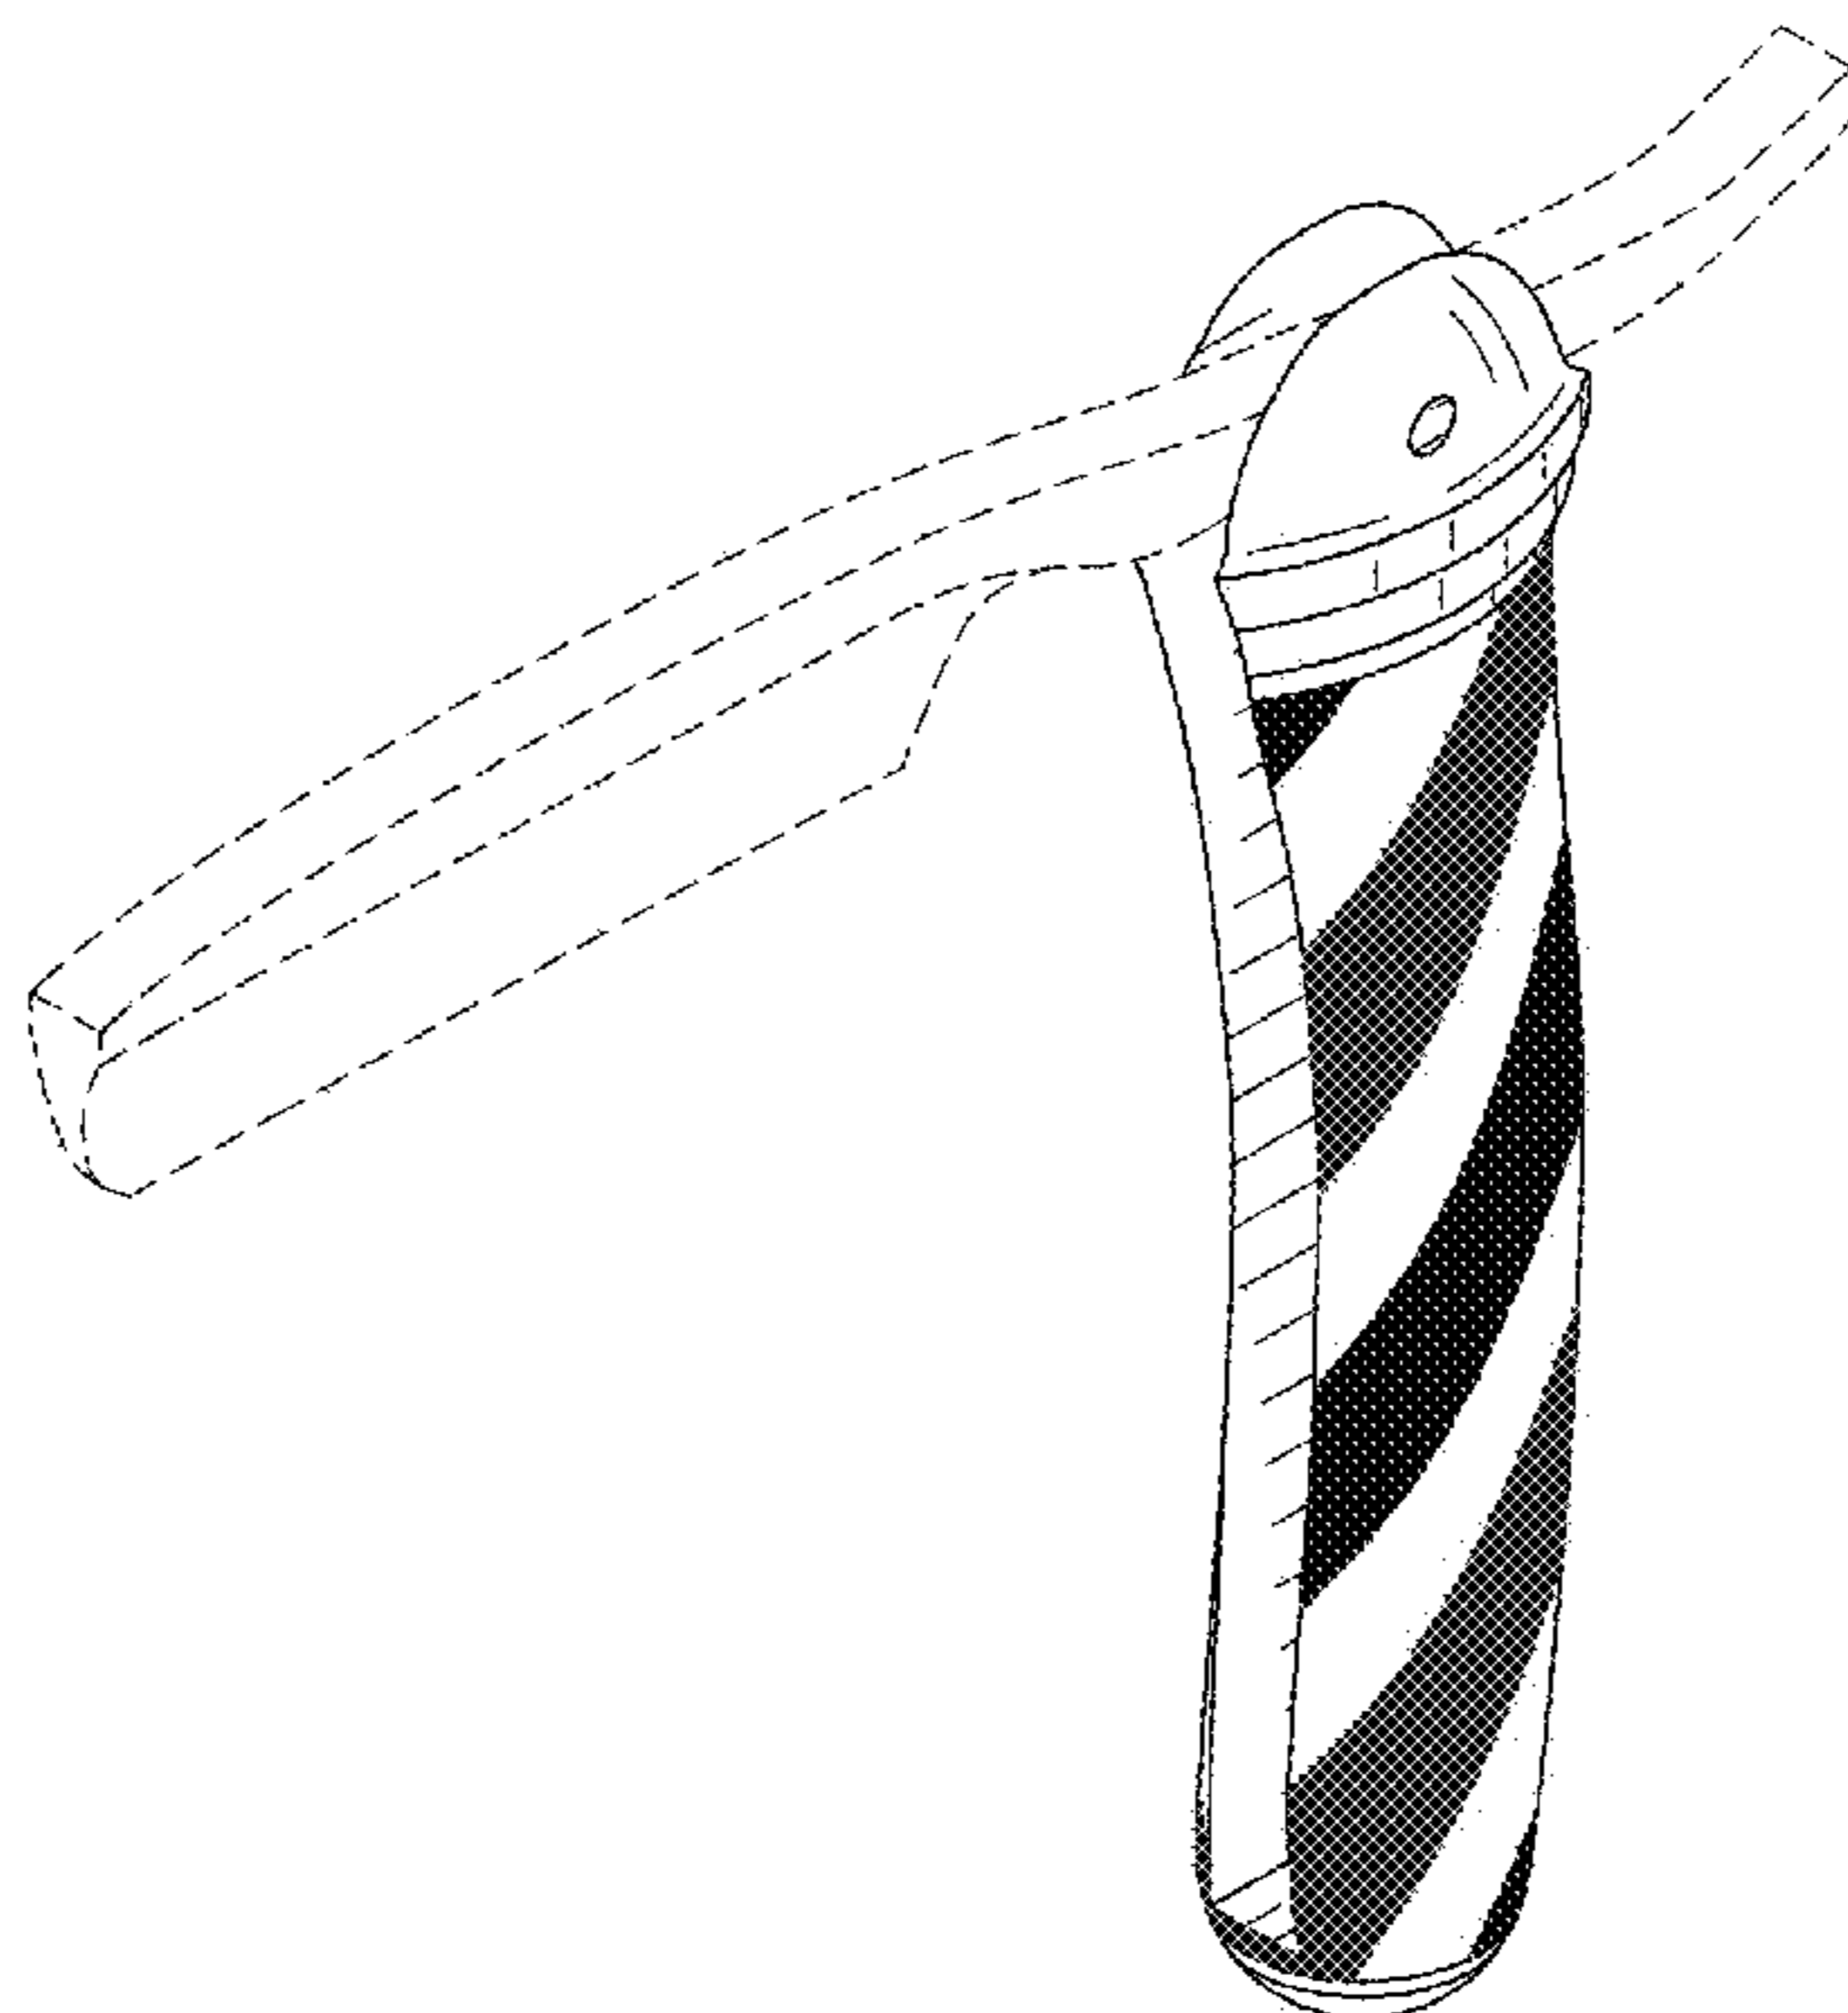

FIG. 7 is a bottom view of the razor handle, where the blade of the razor handle is extended from the handle of the razor handle such that the blade is perpendicular to the handle;

FIG. 8 is a left side view of the razor handle; and,

FIG. 9 is a top view of the razor handle.

The broken lines shown are for illustrative purposes only and form no part of the claimed design.
