(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The single FIGURE is a front view of a display screen or portion thereof with graphical user interface showing our new design. The dot-dash broken line showing of the display screen or portion thereof forms no part of the claimed design. The dash-dash broken lines show portions of the graphical user interface that form no part of the claimed design.

The image shows a screenshot of a video player interface. At the top, there is a video player area with a progress bar showing 00:22 / 02:57. Below the video player are three tabs: 'Caption', 'Discussion', and 'More Videos'. Under the 'Discussion' tab, there is a section for '59 Posts' and 'Questions (0)'. A 'Chapter 1' section is visible, containing a video player with a timestamp of 00:12. Below the video player is a question: 'What is the best way to ease someone's pain and suffering?' with a 'Solved' status and a '10' score. There are also icons for 'See all 2 replies' and a grid icon. Below the question are 'Chapter 2' and 'Chapter 3' sections. At the bottom, there is a bar with a user profile icon, the text 'Add a discussion', a lock icon, and a paper plane icon.
