FIG. 1 is a top view of an orthopedic short leg splint showing my new design;

FIG. 2 is a bottom view thereof;

FIG. 3 is a front perspective view thereof;

FIG. 4 is an exploded front perspective view thereof; and, FIG. 5 is another perspective view thereof shown in a position of use.

The broken lines in the drawings illustrate portions of orthopedic short leg splint and portions of the environment that form no part of the claimed design.
