(57) **CLAIM**

The ornamental design for an upper plate of foot massager, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an upper plate of foot massager, showing my new design;
FIG. 2 is a top plan view thereof;
FIG. 3 is a front elevational view thereof, the opposite side being a mirror image; and,
FIG. 4 is a left side elevational view thereof, the opposite side being a mirror image.
The broken lines shown in the drawings are for the purpose of illustrating portions of the upper plate of foot massager, which form no part of the claimed design.
