(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface having a pop-up element, as shown and described.

**DESCRIPTION**

The FIGURE is a front view of a display screen or portion thereof with a graphical user interface having a pop-up element. The broken line showing of text, lines, boxes, and graph elements illustrate portions of the graphical user interface and form no part of the claimed design.

**1 Claim, 1 Drawing Sheet**
