FIG. 1 is a front elevation view of the writing instrument with measuring tools, with the measuring tools in the open position, showing our new design;
FIG. 2 is a rear elevation view with the measuring tools in the open position thereof;
FIG. 3 is a side elevation view with the measuring tools in the closed position thereof;
FIG. 4 is a top plan view with the measuring tools in the open position thereof;
FIG. 5 is a bottom plan view with the measuring tools in the open position thereof;
FIG. 6 is a perspective view with the measuring tools in the open position thereof; and,
FIG. 7 is a side elevation exploded view, with the measuring tools in the closed position.
