(57) CLAIM

I claim the ornamental design for a cover for a water bottle, as shown and described.

DESCRIPTION

FIG. 1 is a front/left/top perspective view of a cover for a water bottle in an uninflated state;
FIG. 2 is another front/left/top perspective view thereof shown with the water bottle in an inflated state;
FIG. 3 is a top plan view thereof shown with the water bottle in an inflated state;
FIG. 4 is a left side elevational view thereof shown with the water bottle in an uninflated state;
FIG. 5 is another left side elevational view thereof shown with the water bottle in an inflated state;
FIG. 6 is a rear elevational view thereof shown with the water bottle in an inflated state; and,
FIG. 7 is another rear elevational view thereof shown with the water bottle in an uninflated state.
In the drawings, the broken lines show portions of a water bottle that forms no part of the claim.
