FIG. 9 shows the cover for electronic systems on a pole.

(56) **References Cited**

The utility pole shown in broken lines in FIGS. 1-9 illustrates environment of the cover for electronic system that forms no part of the claimed design. All of the broken lines in FIGS. 1-9, except for those showing the utility pole, illustrate portions of the cover for electronic system that form no part of the claimed design. Additionally, the horizontal broken line groupings that surround the cover for electronic system are boundary lines.
