See application file for complete search history.

DESCRIPTION

FIG. 1 is a top plan view of our tissue package surface indicia showing one embodiment of our new design; and, FIG. 2 is a top plan view of our tissue package surface indicia showing another embodiment of our new design.

The broken lines shown in the drawings depict portions of the tissue package that form no part of the claimed design.

The grey scale is not limited to the different shades of grey but is intended to indicate that the design is not limited to a specific color combination.
