(57) **CLAIM**

The ornamental design for display screen with animated graphical user interface for educational fund eligibility tracking, as shown and described.

DESCRIPTION

FIG. **1** is a front view of a first image of a display screen with animated graphical user interface for educational fund eligibility tracking showing our new design;
FIG. **2** is a second image thereof;
FIG. **3** is a third image thereof; and,
FIG. **4** is a fourth image thereof.
The appearance of the animated graphical user interface transitions between the images shown in FIG. **1** and FIG. **4**. The process or period in which one image transitions to another forms no part of the claimed design.
The outermost broken line rectangle is for the purpose of illustrating a display screen and forms no part of the claimed design. The remaining broken lines are for the purpose of illustrating portions of the graphical user interface that form no part of the claimed design.
