(57) **CLAIM**

The ornamental design for an electronic display for a wearable device presenting a graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of an electronic display for a wearable device presenting a graphical user interface, showing our new design.

The broken line showing of the electronic display for a wearable device presenting a graphical user interface is for the purpose of illustrating portions of the electronic display

(Continued)

for a wearable device presenting a graphical user interface and forms no part of the claimed design.
