**DESCRIPTION**

The FIGURE is a front view of a display screen or portion thereof with graphical user interface. The outermost broken lines in the FIGURE illustrate a display screen or portion thereof and form no part of the claimed design. The other broken lines in the FIGURE illustrate portions of the graphical user interface that form no part of the claimed design. The horizontal shading lines indicate a contrast in appearance between the shaded area and elements of the claim which include no shading.

See application file for complete search history.
