(57) **CLAIM**

I claim, the ornamental design for a tube securing device support body, as shown and described.

DESCRIPTION

FIG. 1 is a front, top, and right side perspective view of a tube securing device support body showing our new design; FIG. 2 is a front elevation view thereof; FIG. 3 is a rear elevation view thereof; FIG. 4 is a front and right side broken perspective view thereof; FIG. 5 is a front and left side broken perspective view thereof; FIG. 6 is top plan view thereof; and, FIG. 7 is a bottom plan view thereof. The broken lines in the drawings illustrate portions of the tube securing device support body and form no part of the claimed design.
