(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

**DESCRIPTION**

The FIGURE is a front view of a display screen with a graphical user interface showing my new design. The outermost broken line rectangle showing the display screen forms no part of the claimed design. The broken lines showing the icons, the alphanumeric characters, the remainder of the user interface, and the remainder of the display screen, are for environmental purposes only and form no part of the claimed design.
