See application file for complete search history.

DESCRIPTION

FIG. 1 is a side view of the decoy anchor showing the new
design in a state of use;

FIG. 2 is an enlarged perspective view of the bottom portion
with weight element, shown broken away for convenience
of illustration;

FIG. 3 is a partial cross-sectional view of the weight element
of the anchor line; and,

FIG. 4 is a side view of the design showing the weight
element in alternate positions.

The broken line showing of a duck and weight elements are
included for the purpose of illustrating environmental struc-
ture only and form no part of the claimed design.
