FIG. 1 is a front side elevation view of an armrest for medical examination table of the present invention.

FIG. 2 is a back side elevation view of the armrest for medical examination table of FIG. 1.

FIG. 3 is an isometric view of the armrest for medical examination table of FIG. 1.

FIG. 4 is a top plan view of the armrest for medical examination table of FIG. 1.

FIG. 5 is a bottom plan view of the armrest for medical examination table of FIG. 1.

FIG. 6 is a right side elevation view of the armrest for medical examination table of FIG. 1; and,

FIG. 7 is a left side elevation of the armrest for medical examination table of FIG. 1.

The dashed lines in the Figures are provided to show environmental structure and form no part of the claimed design. The dotted lines in the Figures are provided to show boundaries of the claimed design and form no part thereof.
