(57) **CLAIM**

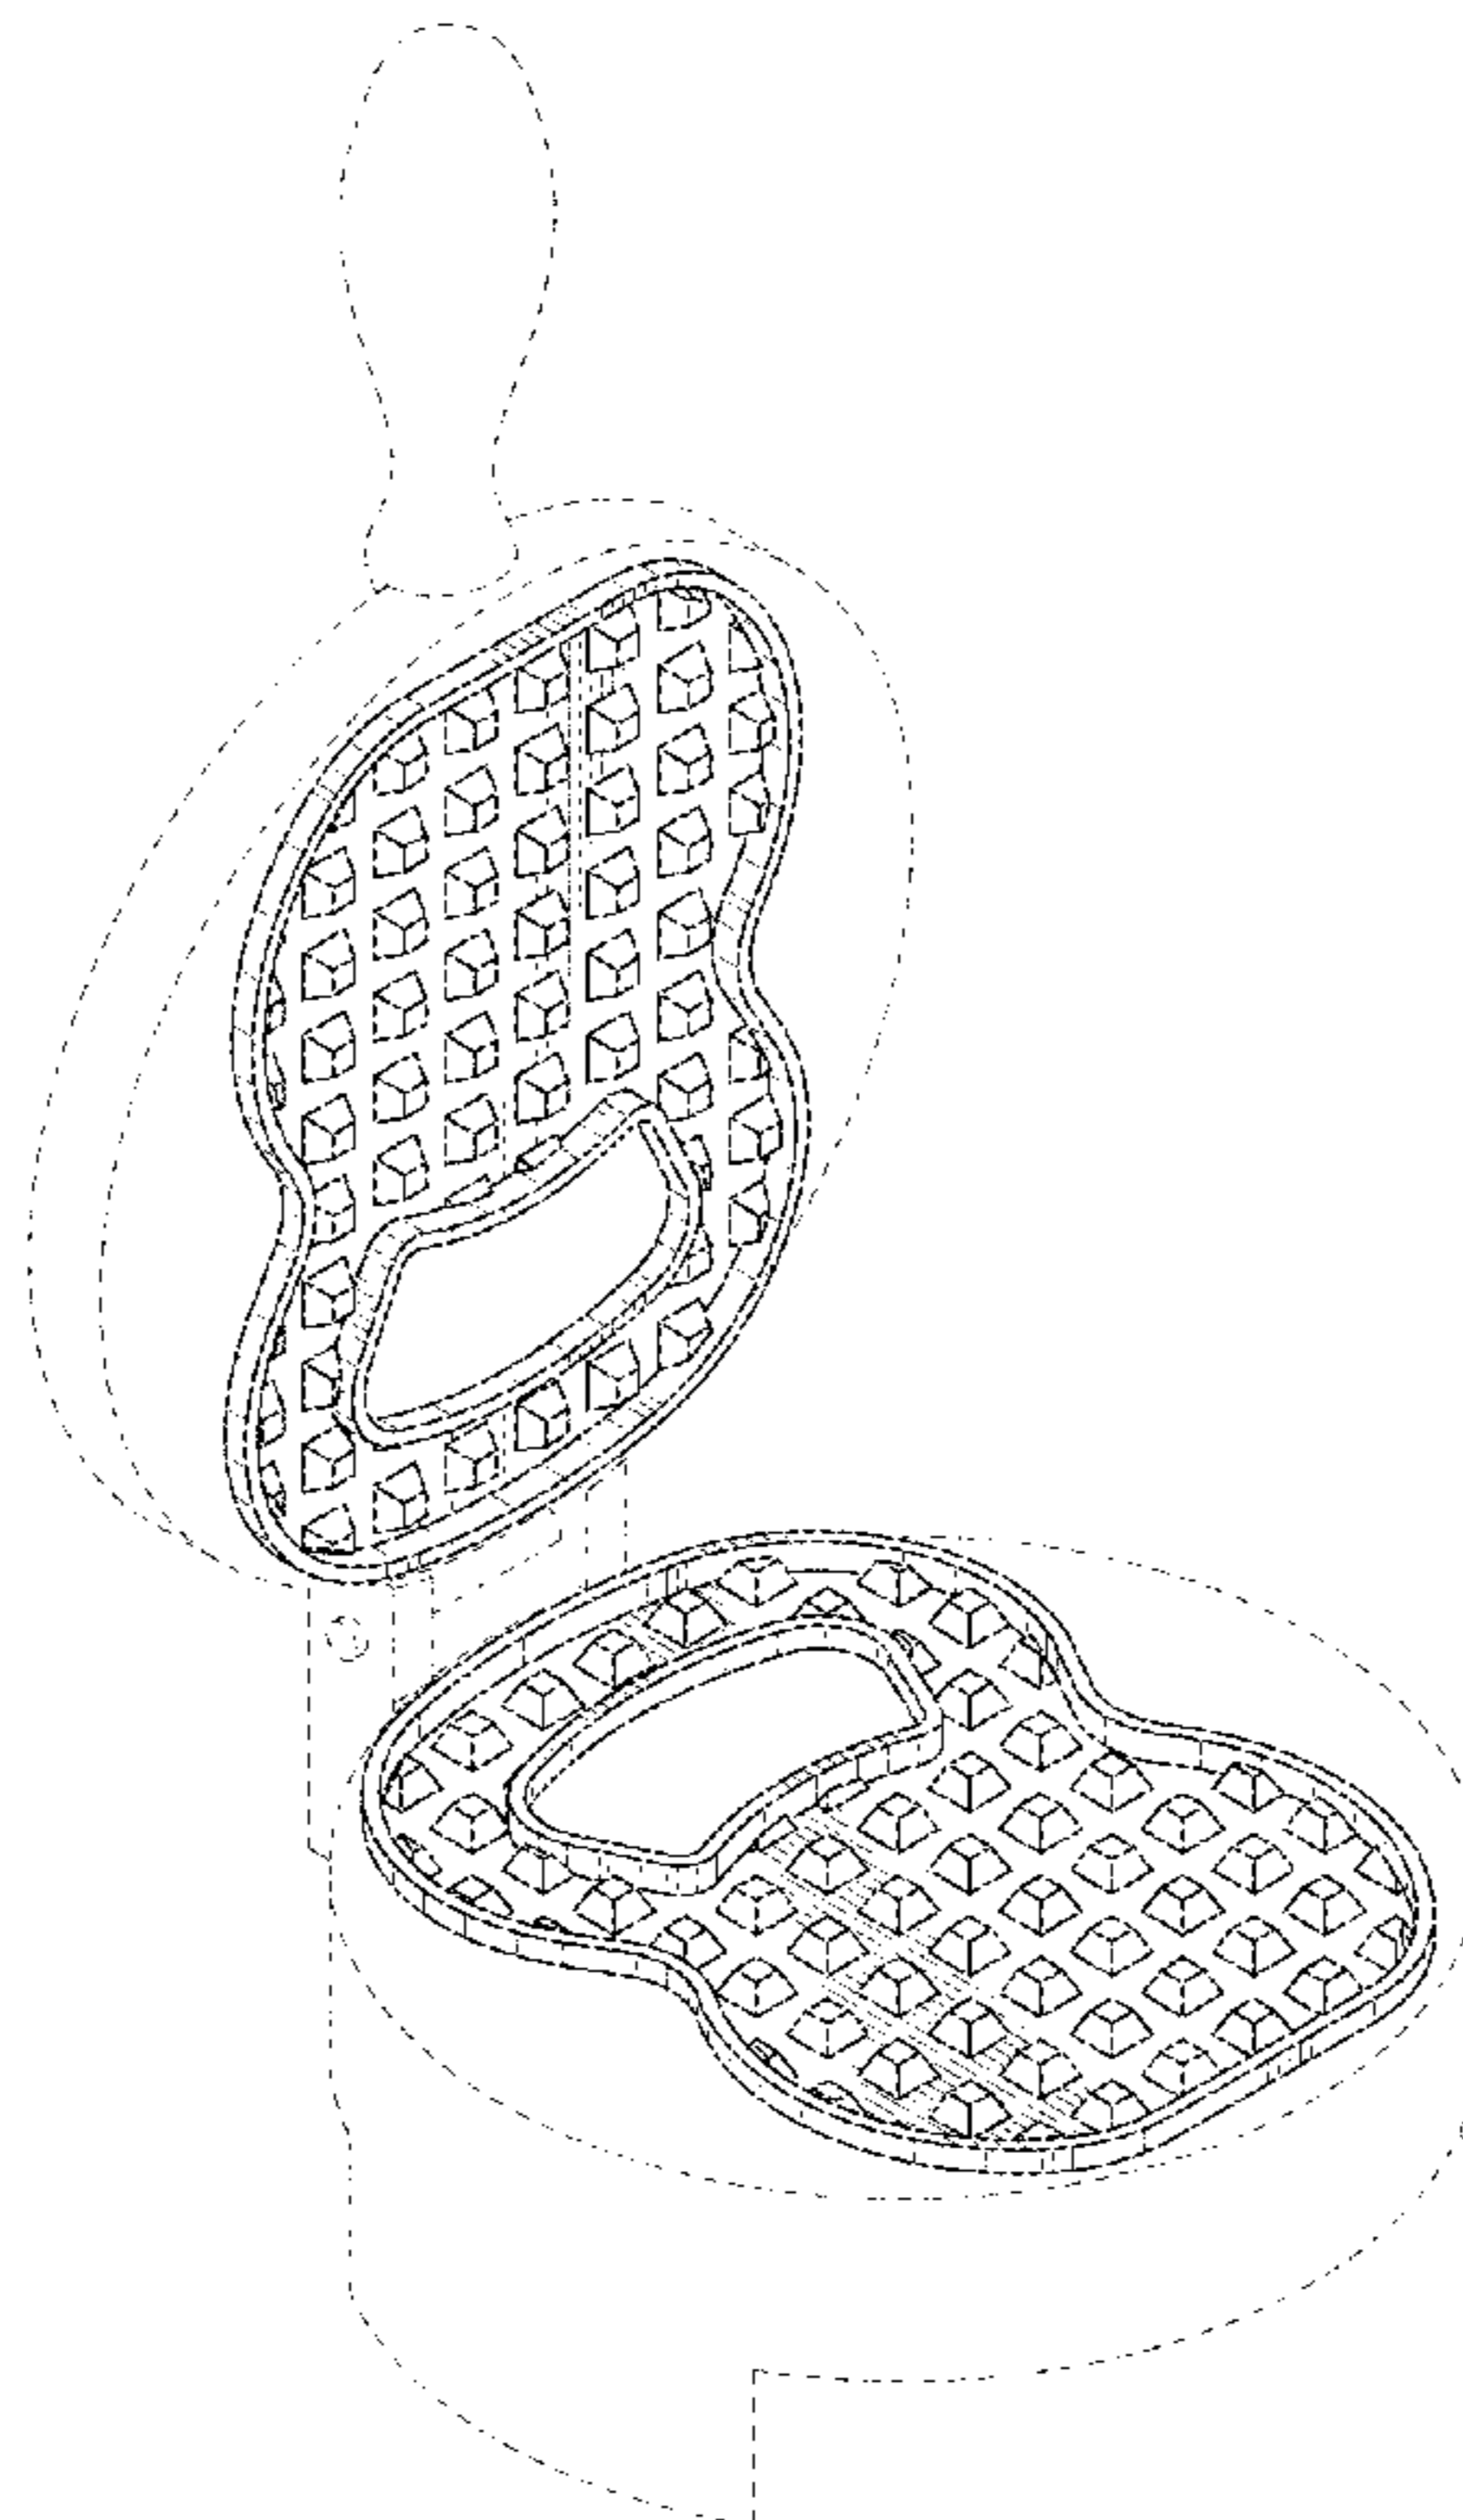

The ornamental design for a pair of waffle maker molds, as shown and described.

DESCRIPTION

FIG. 1 is a first front perspective view of a pair of waffle maker molds according to the invention; and, FIG. 2 is a second front perspective view of the pair of waffle maker molds.

The broken lines are for the purpose of illustrating the environment of a waffle maker for attaching the molds only and form no part of the claimed design.
