(57) **CLAIM**

The ornamental design for a display screen or portion thereof with icon, or paper product with surface ornamentation, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen with icon or paper product with surface ornamentation showing our new design. The dashed lines showing a display screen or paper product form no part of the claimed design. The dot dashed broken lines showing portions of the icon or surface ornamentation form no part of the claimed design. The grayscale shows a contrast in appearance.
