(57) **CLAIM**

The ornamental design for an electronic device with graphical user interface, as shown and described.

DESCRIPTION

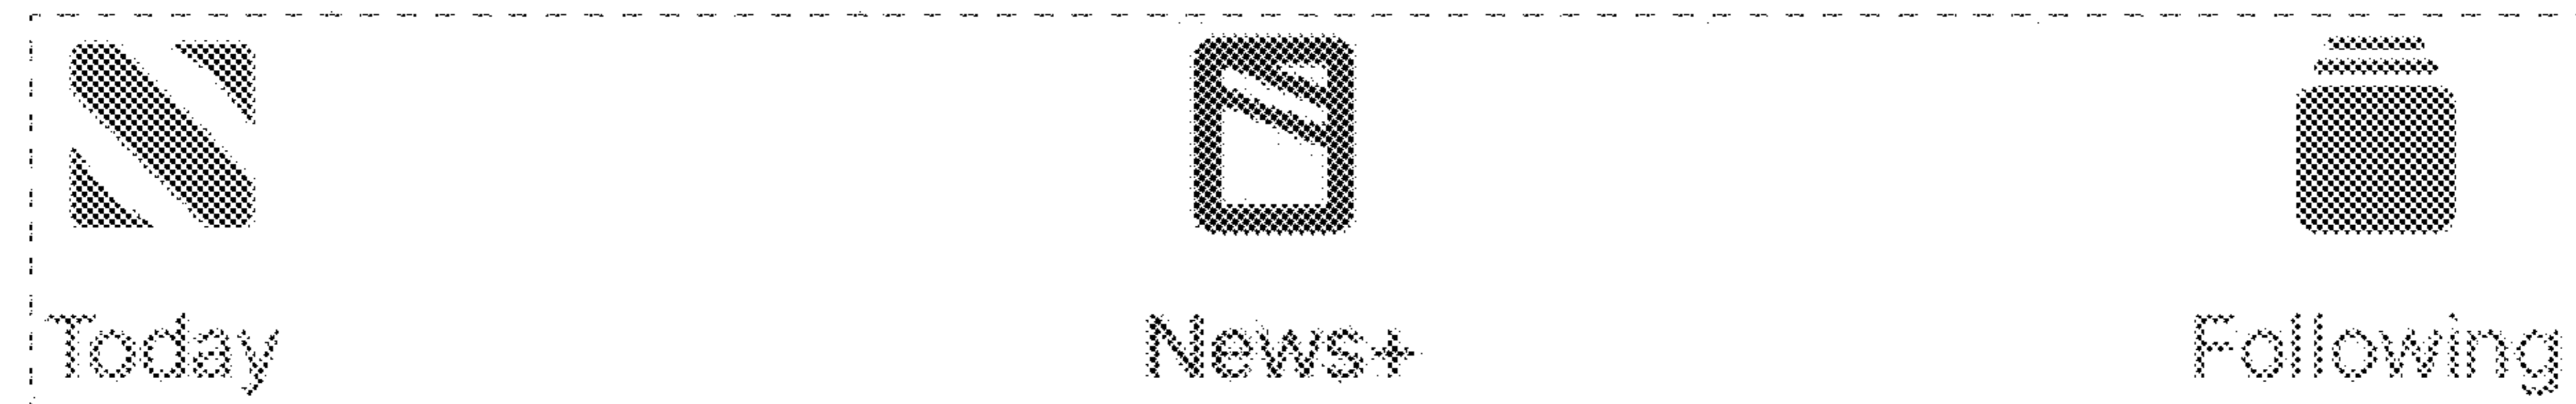

The file of this patent contains at least one drawing/photograph executed in color. Copies of this patent with color drawing(s)/photograph(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a front view of an electronic device with graphical user interface showing the claimed design; and,

FIG. 2 is another embodiment thereof.

The outer dashed broken lines in the figures depict an electronic device having a display screen and form no part of the claimed design.
