DESCRIPTION

FIG. 1 is a front view of a first embodiment of a display screen or portion thereof with graphical user interface according to our design; and,
FIG. 2 is a front view of a second embodiment of a display screen or portion thereof with graphical user interface according to our design. The outermost broken lines illustrate a display screen or portion thereof and form no part of the claimed design. The remaining broken lines illustrate portions of the graphical user interface that form no part of the claimed design.
