(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen or portion thereof with graphical user interface showing the new design.

The broken lines showing the display screen or a portion thereof are for the purpose of illustrating environment and form no part of the claimed design.

The broken lines showing the elements on the display screen illustrate portions of the graphical user interface and form no part of the claimed design.
