(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen with a graphical user interface showing our new design. The peripheral rectangular line illustrates a display screen or portion thereof. The broken lines surrounding the white text illustrate interior boundaries of the claimed design and the broken lines and the white text therein form no part thereof. The remaining broken lines illustrate features that form no part of the claimed design.
